SELLER NOTE: An interested buyer sent a message asking whether I would be willing to accept payment via Ebay's recommended escrow service**. Since I was not familiar with the service, I told him that I would look in to the matter, and to give me call. Promptly, I reviewed the dynamics of the service. My answer?

Absolutely.

****Ebay's escrow service, from what I understand, protects both parties by acting as a third-party Trustee. Ebay-recommended for transactions over \$500, the service looks to manage the payment process from start to finish. For more information, Ebay offers links to the service on its site. Buyer responsible for fees, which appear to be nominal.**

Guaranteed Class Winner at 2006/2007/2008 Porsche Parade(s). Please contact PCA to determine car's eligibility, and to learn more about class restrictions. Must be present to win. Cash award only.

^TAKE THE 914 CHALLENGE. For each instance where car is enrolled in any Industry Recognized Competition - and, where it is competing against any other 914 for a prize of any kind that is awarded based on the car's original appearance -, and loses to a rival, Seller, upon verification of loss, will reimburse Purchaser (Participant) for all out-of-pocket fuel-related expenses up to a per incident maximum of \$500.00. Maximum # of reimbursements: 5; maximum # of reimbursements per year: 1; maximum Total Value of future reimbursements: \$2,500.00. ^, ^All decisions with respect to reimbursements and/or concessions shall be finalized by Seller alone.

Seller alone will determine the merit, value and time horizon of any Reimbursement and/or Concessionary Grant extended or offered.

Other: Spare, which consists of a full-sized Mahle mag wheel and Italian-forged Michelin tire, as well as the car's original jack, has never been used. Battery tray is free of corrosion. Car is in excellent condition throughout. Records, meticulously kept, show no record of this car having ever been repainted - neither do I have any reason whatever to believe it has. Corduroy seat inserts are flawless. Sensors, lights - everything - work beautifully. Showroom condition. Undoubtedly one of the top 914s in North America.

This car is absolutely jaw-dropping and fabulous from every angle.

I will do my best to answer any further questions you might have.

No trade offers will be accepted.

Thank you for your consideration.

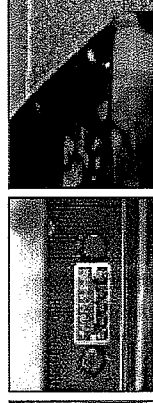

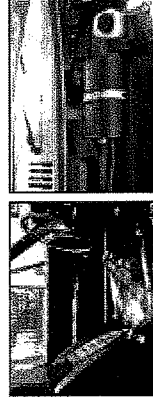

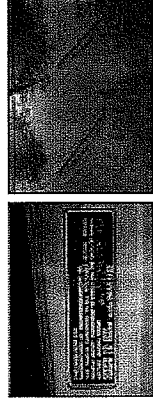

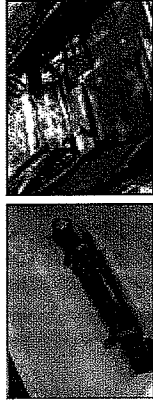

Find your strength.
