1975 PORSCHE 914 1.8
VIN: 4752901297

Price: SOLD

PLEASE CALL 770-427-2844 EXT. 16
[OR EMAIL FOR MORE INFORMATION](#)

1975 porsche 914 1.8l. Mint condition with 82,300 original miles. This 2 owner car has been well maintained and cared for and always garage kept. Berber yellow paint is all original and still shines. Body is remarkably unflawed for a 30 year old car with minor blemishes seen. There is absolutely no rust to be found on this car and has been recently undercoated. Rubber seals are still soft and pliable and water tight, although car has never been taken out in the rain. Rubber bumpers are perfect w/ no flaws.

Interior is spotless with original leatherette vinyl still supple. New yellow plaid cloth seats were intalled to replace original ones and match car color perfectly. All interior lights and gauges work including buzzer when keys are kept in the ignition. Car comes with appearance group and center console.

Music is offered by way of original Blaupunkt AM/FM cassette deck which includes a graphic equalizer which was state of the art in its day. I recently installed a 12 disc Pioneer cd player. All this is powered by a 120 watt 4 channel Blaupunkt amplifier. The sound that comes from the 4 newly installed speakers is truely breathtaking.

Falkin Ziex tires (205/50R/15) were recently purchased as were newly restored 2.0 Fuchs rims.

The engine is 100% original and runs strong and effortlessly. Recent clutch replacement (5000 miles) as well as tune up and valve adjustments have been

done. Oil cooler and injector seals have also been replaced. Car has all new shocks and struts. Many more items have been replaced using original parts and receipts for all items are documented.

This car is truly a joy to drive and is a true representation of everything a 914 had to offer. You will not be disappointed.
