Description

To the best of my knowledge this vehicle has been owned locally since 1996. Driven very little and stored in a garage. This vehicle does have 31,113 original miles. We have a title, mileage disclosure, owner's manual and informational manual are included at sale. Due to being stored for a while we did to go over the vehicle and we replaced brake pads, rotors and calipers all they way around the vehicle. We also replaced the tires, new battery along with some other maintenance items. We do have the original rims for the vehicle, but do not have the center caps or lug nuts. The car is in very nice shape and a lot of fun to drive. If you have any further questions please call or email Joe or Phil at (616) 957-4661 or plicari@prestigeimport.com
