Model: 1973 Porsche 914

For the collectors out there. Don Davis Auto Group Classic is offering our First Classic Automobile on ebay. This is a completely reconditioned 1973 Porsche 914 with just over 11,587 original documented miles. That is correct, this car has documented 11,562 miles from its last owner and we decided to put a couple on ourselves. This car was reconditioned to its original condition. We have all original receipts for this classic and some historic documentation, including the original Owners manual, an original Porsche

Dealership flyer for this car, (with the same green color car on front of the flyer) an original 1973 Road & Track Magazine from Europe, testing out this model car. The car also came with the original German worded Key Car. Due to the ability to only put 24 pictures on ebay, I choose to put all car pictures, email me and I will email you pictures of the documentation or anything else needed.

Includes: Original Porsche 914 Owners Manual, Original German Key Card, Original set of Keys, Original Dark Tan Leather Interior, Fuel Injection, 4-Wheel Disc Brakes, 5-Speed, Removable Targa Top, restoration receipts!!

Our Classic Auto Division only specializes in the rarest and lowest mile autos in the industries. We pride ourselves in quality, passion for the rarest and being the best at what we do.

Unbelievable 11K Mile Classic !!!!!
