age 1 HEINRICH FABER b 1721 in Germany, died 3 Dec 1781, and was buried by Christian Breymann, Temporary Schoolmaster for the Friesburg Lutheran Church, Friesburg NJ, recorded in the Records of that Church.

The Friesburg Lutheran Church also records the Baptism of the following children of Heinrich and Maria Elizabeth Faber; Maria Margaretha b 1755, Anna Maria b 1758, Johann Hinrich b 1760, Friederik b 1762, and Johannes b 1764. The Record of the Swedish Lutheran Church of Penn's Neck and Raccoon, N.J. shows the Baptism of George Faver, child of Heinrich and Maria Elizabeth Faver, and also the Baptism of Elisabeth B Favere b 1768, as the child of Heinrich and Magdalena Favere.

The translation of Faber to Swedish was always written Faver.

The name Maria Magdalena, wife of Heinrich Faber appears in the Friesburg Church Records as Godparents for the following, showing the alterations recorded.

Parents	Infant	Witness
George Sturz & wife Barbara	<u>Elizabeth-</u> <u>-Maria-Magdalena-</u> born June 12 baptized Oct 4 (1773)	Heinrich Faber & his wife Maria Magdalena

A further record of Heinrich and Magdalena in the same Church is as follows;

Parents	Infant	Witness
Georg Auz & wife Barbara	Maria Magdalena born Feb 6th Bapt. Sep 26 (1773)	Heinrich Faber & his wife Maria Magdalena

In the second record copied, the parents could well have been George and Barbara Sturz, as listed in the first listing above.

I have been told I have a copy of the original translation from German

of the Friesburg Church Record, and it clearly shows the Godparents in the second case listed here, to have been, "Heinrich Faber & wife Maria" with "Magdalena" added in different typing on the bottom line.

I believe the alterations should be accepted which makes Elizabeth B Faber b 1768 the child of Heinrich and his second wife Maria Magdalena Faber.

Very little effort has been made by the compiler of the Chart, to search and list descendants of the brothers and sisters of George Faver b 1752, as this alone would be a big project. I have exchanged information with several descendants of Frederick Faver b 1762, brother of George, and information is listed on Pages 1, 1.1, 1.2, 1.3, and 1.4, as an introduction to the Chart of the Descendants of George Faver b 1752.

So far back as my memory goes in my past 80 years, and from word I have received from many descendants of George Faver b 1752, I can say there have been persistent and emphatic expressions on the part of many older members of the Faver families, handed down from generation to generation, the often repeated statement that the origin of the family is FRENCH.

Knowing that Heinrich Faber was born in Germany, came to America, attended the Swedish Lutheran Church and later the Friesburg German Lutheran Church, that he spoke German, and his son George b 1752 also spoke German and carried a German accent throughout his years, that German people have said the handwriting of George B 1752 showed positive German characteristics we must conclude that the family was a part of the thousands and thousands of Huguenots who left France to avoid danger of persecutions against the Huguenots.

The Fabers as many others had changed their name to help avoid

capture and forced return to France. They took the same route as many, many others, thru Germany, down the Rhine by boat to the Low countries, and then leave Europe. They could not risk being caught carrying anything of value out of France, and as a result some remained in the Palatinates of Germany to accumulate earnings for passage to America. Others took the immediate and less costly escape to England, which had the largest influx of Huguenots, except for Germany.

Remaining in the protection of the Palatinates of Germany was satisfactory until there was a series of annual crop failures in Germany which reduced the earnings of farmers and tradespeople to the extent that there was what has been called an "Exodus" from Germany of Huguenots and others of many nationalities.

Huguenots were considered in the class of skilled workers, shopkeepers etc, and were skilled in many fields of service. They were not serfs, lackeys etc but rather a proud and hard working people.

Before going to Page 2 where we have forwarded the name of George Fauver b 1752, and the Chart of the Descendants of George Fauver begins, it should be mentioned that Heinrich had three sons in the Revolutionary War, George b 1752, Henry b 1760, and Frederick b 1762. each enlisted, and did so under the name "Fauver" and we find Heinrich used the name "Fauver" at the time of the Revolution. We continue to use Heinrich's name as Faber in the Chart to fully identify him as the immigrant ancestor of this Fauver family.

If and when the ancestors of Heinrich Faber are traced to France, their French name would be used for his French born ancestors for their identification as such.

More about our French connection and my statements that William Fauver b1791, was the first Fauver to come to Lorain Co. and possibly the State of Ohio. John Dillon Fauver, Chart page 53, with his father, mother and grandfather went to Dayton Oh. as the grandfather wanted to see if he could find a Fauver family he had heard lived in Dayton.

John's letter to me in 1984 is as follows;

" We found the person my grandfather wanted to see and he informed us that he was born in the Southwest of France, near Berry. His right name was Jean Mousse, and that he had been well acquainted with several Fauvers in that area. They were all Lawyers and some were involved in politics.

He came to the United States as a young man and wanted to date girls, none would have anything to do with him as his name in English turned out to be Mouse, so he changed his name to Fauver, in admiration of the Fauvers in France. Therefore he could not be related in any way.

I was fifteen years old at the time, so heard it with my own ears, not hear-say.

The old man was about my grandfathers age around 80 years old, white haired, around five feet six inches tall, weight approximately 150.

I had not thought about this for years, until after you were here with your book. It popped into my head as I was reading the book."

The question of the location of Berry comes because of a rearrangement of the 34 Provinces of France, before the Revolution, into 87 "Departments" after the Revolution, in which transition the Berry Province of old was eliminated and there is no Berry Department.

The "Handy Book for Genealogists" published by Everton, in it's seventh edition has a map with the French Provinces shown and another map with the

e number refers to the Chart page on which the name is listed

present Departments shown. By comparison it shows the former Berry Province to have been half way thru France east and west as well as north and south, making it directly south of Paris in as close to the center of France as possible. This might correspond with Orlean France a short way from Alsace Lorraine. I have known many Fauvers to refer to their French connection, as Alsace Lorraine, and Orlean was a trouble spot for Huguenots. If the "du Berry" refers to the former Province of "Berry", Mr Mousse must have been mistaken.

If the Dayton Fauvers connected with the quarries in that area, were also Mousse's, William Fauver must have been the first Fauver settler in Ohio. I will not get into that argument however.

I think it will be a long time before we find our French connection and probably only then if we get some European help.

Page 1      GEORGE FAUVER b 1752, was born in Gloucester Co.N.J. and shortly thereafter the family moved to Pittsgrove Twp. Salem Co. N. J. where the six brothers and sisters of George were born. It was from Salem Co. that George became a part of the "Daretown Militia" made up of a group of members of the Salem County Militia, a unit from which the Army secured it's enlistments. George's first enlistment as a Private in the Revolutionary War was for a tour of duty for two months, and he extended this for a second, two months enlistment, both under Cap't. DuBoise, of Col Cornelius Newkirk's Regiment. In the summer of 1777 he served another tour of duty for two months under the same Officers. In Sept. of 1777 he served for six months in the Wagon Service of the Army under Cap't Robert Patterson and Col. Hugg. During this period of service he was with his Brother Henry, who enlisted throughout the War in the Wagon Service and was in charge of a wagon. George then enlisted for six months in Cap't. Peck's Company under Col. Cornelius Newkirk, and served until the end of the War. George received his honorable discharge at Pole Tavern, Pittsgrove Twp. Salem Co.NJ. which had become the unofficial headquarters of the "Daretown Militia".

In describing his enlistment in the Wagon Service, he said he was "Teaming" and drove wood, hay and salt from Egg Harbor on the Atlantic Ocean, to Woodbury, N.J., and at times there were eight wagons in service. As to his service at Woodbury, N.J. under Cap't. Peck, George said he was not engaged in any battles or skirmishes at any time, he did engage in scouting missions, stood guard as assigned, and also did assigned duties in the garrison. At the end of the War, George and Elizabeth Penton were married the 24th of Mar 1780, by Rev Worth a Presbyterian Minister at Pittsgrove Twp. George and Elizabeth Penton Fauver remained in Pittsgrove

until 1798 when they moved to Lansing, Tompkins Co., N.Y. They were in Lansing N.Y. about five or six years, and then moved to Newfield, Tompkins Co.N.Y. George applied for his War Pension in 1832, and between that date and 1834 they moved to Eaton Twp. Lorain Co.Oh. where other members of his family had settled and George said it was to "live with a member of the family".

George died the 18th June 1836, and upon his death, Elizabeth succeeded to 50% of his Pension and gave her \$60. per annum. Elizabeth Penton Fauver died at age 83 on 17 Feb 1846. Both George and Elizabeth Penton Fauver are buried in Butternut Ridge Cemetery, Eaton Twp. Lorain County, Oh. The original grave marker has been replaced by a marker furnished by the Gov't. which carries only the name of the Veteran, however Elizabeth his wife is buried beside him.

Page 2

ROBERT FAUVER b 1780, the first child of George and Elizabeth Fauver, has not been traced with any degree of satisfaction. The little we know of him comes from the Will of Robert Patterson, the Army Cap't. in the Wagon Service under whom George served for six months, and his brother Henry served throughout the War. George and his family were also neighbors of Robert Patterson.

The Will has come to our attention only recently and is dated 15th of June 1793 and Robert Patterson died between that date, and 17 Nov 1793, when an Executor was appointed in his Estate. The Will can be summarized as follows;

To his wife, remainder of personal property, lot of land purchased of John Young, 4 acres of woodland joining land of Samuel Thompson and John Neely, and part of lot purchased of Doctor James Stratton, also rents to Sarah Ogden in the meantime.

Page number refers to the Chart page on which the name is listed

To Elizabeth Martin, house built on my land and 40 acres, Pittsgrove Twp. purchased from Doctor Stratton, also land to the eastward of Cedar fence that runs from Sommeral's line to main branch of Alloway's Creek, 17 acres of woodland along Nealy's line, when 18, the same during her lifetime, then to the oldest daughter, and if she dies without heirs, the same to William Fauver.

To Robert Fauver, place wherein I now live with remainder of lands in Pittsgrove and Alloways Creek, when 21, should he die without heirs, the same to Elias Fauver.

To Elizabeth Martin and Robert Fauver (in common) a cedar swamp in Gloucester Co. when they reach ages before specified.

Some further information about Robert Fauver comes from deeds filed in Salem Co. A Deed dated 10 Dec 1803, from George Fauver and Elizabeth Penton Fauver to "son Robert, of Pittsgrove Twp., Salem Co. N.J." identifies George and Elizabeth as residents of Lansing N.Y. at that time and transfers for a consideration of "\$200.00 silver money paid" an undivided part of one-half of a house and 20 acres of land on Deerfield Road, Pittsgrove Twp Salem Co. NJ, and bounded by properties of John Moore and Samuel Swing. A paragraph added to the deed, carries the acknowledgement of Joseph Fauver that he witnessed the signing of the deed. Another paragraph added to the deed and dated April 1805, assigns all right and interest in the property described to Samuel Dare, and is signed by Robert Fauver and his wife, Elizabeth Fauver, by her mark. The deed is recorded in Salem Co. NJ, 3 Oct 1839.

On 27 June 1804 Robert Fauver and his wife Elizabeth Fauver, gave a Deed to Samuel Dare transferring to him 100 acres which touched on the branch of Alloway's Creek and property of others in Pittsgrove Twp. Salem

Co N.J. The deed identifies Robert as being a resident of Philadelphia Pa. and the property being transferred as having been "devised to Robert Fauver" by Robert Patterson, late of Pittsgrove Twp Salem Co. N.J.

Robert Fauver cannot be found and there is no information as to who Elias Fauver could be. No doubt Elias was a brother of Robert but the name has never appeared in any other connection.

In trying to connect the names in the Will to others for a possible lead the only thing that has been found is that Sarah Ogden was a member of the Friesburg Lutheran Church and her daughter Rebecca became a member in 1837. The following year they attended a Communion Service together and next to their names is recorded "removed to Phila". There is an Elizabeth Martin who became a member of the same Church and shortly after married a Benjamin Mensch (Minch). Her husband was from a large family of members of the Church but I find no further record of her activities in the Church.

The name Robert Patterson appears as the given name for Robert Patterson Fauver, a grandson of George b 1752, and Patterson is used several times as a given name in the family.

Page 2

WILLIAM F FAUVER b 1791, was born in Salem Co, N.J. and moved with his parents and family to Lansing, N.Y., and later to Newfield, N.Y., where they remained until 1830. It was in Newfield at age 19, on 22 Aug 1810 that William and Margaret Taylor were married and in 1814 the couple had two children and William was drafted for service in the War of 1812. His War service was for only eight credited days, and is more fully explained in the paragraph of George Fauver b 1796, as their experiences in this were identical. This did not present a problem for William and Margaret Taylor Fauver and they continued living in Newfield until 3rd of Apr 1827, when she died, leaving eight children; Lawrence, Eliza, Magdellon, George, William Madison, Nehemiah, Margaret Jane, and John T Fauver. In 1830, William and the eight children came to Eaton Twp. Lorain Co. Oh. where they settled on Diagonal Road, and were the first Fauvers to settle in Lorain Co. Oh and possibly in the State of Ohio. Shortly after coming here William purchased 75 acres of land, then in 1834, he sold 20 acres to Walter Giles. After William left the area the road was renamed Giles Road as we know it today.

Lorain Co. records show the marriage of William F and Hepsibah Redington on 16 Oct 1833. Hepsibah had previously been married to Thompson and later to Redington, and had a son by each of these marriages; John Thompson and Milton Redington.

William and Hepsibah Fauver moved to Perry Co Ill. where William continued farming. From there they went to the area of Olmsted Co. Mn adjoining Fillmore Co. We have no record of the death of Hepsibah but are told that after her death William went to Yankton S.D. where he died while others say he died in Niobrara, Ne.

The Census of 1850 shows the family of William and Hepsibah Redington

Fauver to be in Perry Co., Ill as follows;

William Fauver	58	farmer	bNJ
Hepsy	w 56		Ct
Samuel	s 16		Oh
Alice	d 12		Oh
Andrew J	s 10		Oh
LaFayette	s 9		Oh

Each of the three sons of William and Hepsibah Redington served in the Civil War from Olmsted Co. Mn. The Army records show LaFayette to have been known as M.D.L. Fauver, Marcus Fauver, LaFayette Fauver and Lafayette Fauver. Some family records refer to a Fayette Fauver. Most of the time we find Marquis De LaFayette Fauver as his name.

Page 2      LAWRENCE (FORVOR) FAUVER b 1811, the first child of William F and Margaret Taylor Fauver, was born in Newfield, N.Y., came to Ohio with his father, seven brothers and sisters, his mother having died in Newfield, N.Y. in 1827. Having arrived here in 1830, and William is the only Fauver listed in the census for Lorain Co., in 1830. By 1836 the migration of Fauvers from N.Y. State to Lorain Co. was completed and in that year, Lawrence moved to Gray's Lake, Lake Co Il., where he established himself on a 160 acre farm. He was very successful and was well regarded in the community. His farm was said to have been a model as to it's home, other buildings, equipment and productivity. Lawrence must have had a phobia as to family names, and as a result lost some knowledge of the family over the years. He gave his own choices of names to many of the family and in some cases they stuck. His own mother he called "Eliza or Sarah". Lawrence insisted the family name was "Forvor" and went thru life using that name. The name Forvor has run out in the family.

In 1846 after starting his farm in Lake Co., Il., Lawrence married Maria Lease at Gray's Lake, and the couple had seven children, five of whom died in infancy. The remaining children are Albert, who left the family farm and had a mercantile business in Hainesville, Il, which his wife operated after his death. Emma Forvor married John Wicks, and they operated the family farm after the death of Lawrence.

Lawrence (Forvor) Fauver contributed an article for the Lake Co. Il. Historical and Biographical Album, published in 1891, in which he presents his outline of the Fauver family without using the name "Fauver" once and the article is headed Forvor.

In the article he tells about his Revolutionary War Veteran grandfather who he says "served for nearly seven years" the paragraph continues with "the record of the other members of the family is", and proceeds to list with a brief description, four of the five brothers and sisters of his father, without identifying them as to relationship in the family. He omits his father's oldest brother Robert, but include "Joseph was a farmer and settled in the Buckeye State in 1824, there residing until death in 1835, then the paragraph continues" Mrs Eliza Forvor (his deceased mother) had but one sister who became the wife of John Tullis a farmer and settled in Ohio, where they both died".

He has another paragraph about the children of William Fauver and Margaret Taylor Fauver, and a paragraph about the early days and his accomplishments.

No where does he mention that his father was married a second time in 1934, and there were four children by that marriage and he lived with them part of this time. Neither does he say three of his half-brothers served in the Civil War.

The reference to Joseph in his Biographical Sketch must refer to Joseph b 1775 d 1842 in Lorain Co., except Joseph's dates for him do not fit the tombstone, and Joseph is not listed in the 1830 census and William is listed, so Joseph was not there in 1830. The statement about Joseph can be very misleading as he has numerous descendants in the Lorain Co. area, who are interested in knowing who Joseph's parents were, as are the descendants of George b 1752 interested in knowing more about Joseph. There is no doubt about there being a close association between the families of Joseph and George Fauver, but no relationship has been determined to date.

Eunice Hornby Bush Dunn a great granddaughter of William Fauver b 1791 spent years searching and tracing the William Fauver line and at her death in 1985 at 96 years, she had not found the answer. She has said that Joseph came to Lorain Co. after William had settled here, and Joseph and family when they arrived, lived with William's family until a log cabin could be built for Joseph and family, Lawrence would have still been with his father and family at that time.

Lawrence's article for the Lake County Historical and Biographical Book is interesting, but should be used in genealogy with care, as it can be inaccurately taken.

Page 3 ELIZA FAUVER b 1813, the second child of William and Margaret Taylor Fauver married Joseph Walters. Little is known of Eliza except she married Joseph Walters and they had a farm in Fillmore Co. Mn. where she died in 1875, and is reported to have left three children. Joseph after the death of Eliza, married her next younger sister, Magdellon Fauver Cadwell Ferguson and they continued the farm in Minnesota.

Page 3 MAGDELLON FAUVER b 1815 the third child of William and Margaret Taylor Fauver, married William Cadwell, a carpenter and joiner by trade, who worked in the Wabash In. area. William Cadwell's family were among the earliest settlers of the Wabash area. The family of William and Magdellon Fauver Cadwell consisted of seven children, three of whom died in infancy, namely Mary Alice, Charles Patterson and Andrew Jackson Cadwell. The other children are Sarah Ann, Mary Ann, William James and Magdellon Cadwell.

Sarah Ann Cadwell married Henry Weeden who operated a Hotel in Grafton Oh. They had sons named Leonard M and Lewis H. one of whom lived in Elyria.

Sarah Ann Cadwell married Elliot A Cole of LaPorte, Oh and he subsequently

with his brother-in-law, Henry Weeden, enlisted in the 103rd V I Reg of the Civil War. Elliot Cole and Henry Weeden after serving to the end of the War, bought a farm about a mile north of Elsie Mi. With their wives they started farming and shortly thereafter their wives became ill with consumption. They sold the Farm and returned to Eaton Twp. Oh where both wives died and are buried in Eaton Twp. Butternut Ridge Cemetery. A grandson of Mary Ann Cadwell Cole, Murray Elliot Cole lives in Elsie Mi and he and his wife are interested in the genealogy of the Fauver family. They have a daughter, Martha Frances and a granddaughter Jennifer making their home near ST. Paul Mn.

William James Cadwell married a - - - Belden and they had a son, William James died very young and the line has not been found.

Magdellon Cadwell married George Box and the Box family has been located across Lorain Co. for many years.

Magdellon Fauver Cadwell after the death of William B Cadwell, married John A Ferguson, and they had a daughter Vashti who married Henry Castle of Tina Mo, the family remained in Eaton Twp where John A and Vashti Ferguson Castle had three children, Effie married Ed Commers, Amy married Wilson, and Howard married and had three sons, Howard Jr, Herbert, and Ralph Castle. After the death of John A Ferguson, Magdellon Fauver Cadwell Ferguson married Joseph Walters the widower of her next younger sister Eliza. Magdellon and Joseph lived on his farm in Fillmore Co MN. where she died in 1882.

Page 6 GEORGE FAUVER b 1821 the fourth child of William and Margaret Taylor Fauver, died at age 17 and is buried in Eaton Twp., Butternut Ridge Cemetery Lorain CO. Oh.

Page 6 WILLIAM MADISON FAUVER b 1821, the fifth child of William and Margaret Taylor Fauver, married Cynthia Flint, who died at age 32, leaving three children, The first is Emmett who married David Hall, a Veteran of the Civil War, whose wife had died leaving a number of children. After the death of David Hall, Cynthia married Thomas Edwin Robson of Grafton Oh who also was a widower with several children. While Emmett had no children of her own she made a home and cared for a large family.

William Oscar Fauver the second son of William Madison and Cynthia Flint Fauver married William George Hornby and lived in LaGrange Twp. Lorain Co. Oh wherethey raised two daughters, Effie Jane, and Eunice Donna Hornby. Effie Jane married Walter Bradshaw and after his death married Henry Hurst, there were no children by either marriage. Eunice Donna Hornby married George Bush and their son is Donald Clifford Bush, who married Harriett Peabody of Oberlin. Donald and Harriett had two children, Frederic who died in 1941 at age 18, and Cynthia Ann who married Douglas Kerr Ferguson. Cynthia Ann and Douglas Kerr Ferguson have four children, Jennifer Louise, Kenneth Frederic, Pamela Lynn and Melissa Ferguson, and they make their home in Endicott, NY

After the death of George Bush, Donna Eunice Bush married Oscar Dunn of Elyria who was a former Automobile Agent, and for many years a Lorian Co. Commissioner. Eunice Donna Bush Dunn passed away at 96 in 1985 and to the end she enjoyed her memories of the great effort she had put into the Genealogy of the Fauver family and particularly the details pertaining her Great Grandfather William Fauver b 1791 and family.

Page 7 NEHEMIAH H (Myre) FAUVER b 1823 at Newfield N.Y. was the sixth

child of William and Margaret Taylor Fauver. Nehemiah acquired a farm in Eaton Twp in 1848 and a year later married Marie Ann Marlatt. The couple had four children, Elizabeth Charles, Warren, and Emma. Nehemiah sold his farm in 1863 to move to Minnesota. We hav a record of his wife's death in Hardin Co. Oh in 1865, and later Nehemiah was in Lake Co. Ill with Lawrence Forvor, then he was farming in Fillmore Co. Mn . In 1874 Warren and Emma his two youngest children died of Typhoid fever, within four days of each other. We have found a Charles Fauver who homesteaded in Humbolt Twp. Minnehaha Co. S. D. using the name "Fauber" but has the dates of Nehemiah's son Charles. Nehemiah is said to have died in S. D. so we believe his last days were spent in S. D. with his son. Nehemiahs daughter Elizabeth is said to have married a Baker and had met her father in Chicago in 1891, which is believed to have been when he went to SD.

Page 8 MARGARET JANE FAUVER b 1824 at Newfield N.Y. was the seventh child of William and Margaret Taylor Fauver and married Samuel B Kelso in 1845. Samuel was born 1819 and died 1905, and both Samuel and Margaret Jane are buried in Daggett Cemetery, near Angola MI. Their family started in Ohio then in In. and Mi. and these are the starting points for this large family. The Chart has over 100 of them and there are many more to be found. The only contact the compiler has had is with Jack Dorcie Kelso and his wife Gladys Knauss Kelso, both of whom were very gracious to us in lettting us share in their collection of clippings, marriage and births announcement. etc. Gladys has since passed away and Jack was then in bad health. The contact was made by calling a Kelso, from a Jackson Mi Motel one evening, after seeing the name in a Tele Directory. We were together the next morning and went back another time. They are justly proud descendants of Margaret Jane Fauver Kelso.

Page 15      JOHN TULLIS FAUVER b 1826, at Newfield, N.Y., the eighth child of William F and Margaret Taylor Fauver, in 1851 married Sarah E. Wilson, a daughter of the Methodist Minister living in Grafton, Oh and serving Churches in that area. In 1852 the couple had a daughter born to them who died in infancy, and their second child, Cassie Fauver was born in 1854, at Eaton Twp., Lorain Co., Oh. Cassie Fauver married Frank Wight in Lorain Co. in 1873, and about a year later Frank and Cassie Fauver Wight decided to move to Nebraska where they purchased a farm. They settled on a farm of 160 acres, in Thayer Co. and near Belvidere, Ne. Cassie Fauver Wight's parents, wanting to beneater their daughter and son-in-law, also moved to Nebraska and located on a farm near Belvidere, Ne. Both Frank Wight and John T Fauver were good farmers and each was successful in his individual operation. Sarah and John T Fauver remained on their farm until 1890, when they bought a home in Geneva Ne and moved there to retire. Frank and Cassie Fauver Wight after operating their farm for 16 years, decided to move to Geneva, Ne where they purchased a Meat Market which had slaughtering and storage facilities.

The children of Frank and Cassie Fauver Wight are; Vernie b 1874 who died in infancy, Bertram Wight b 1877, Mabel May b 1881 who died at age 9, and Harry Arthur Wight b 1884. The boys delighted in helping around the Market, making deliveries of Meat and Ice, and carrying on other duties.

While operating the Market, Frank and Cassie bought a full Section of land in Clay Co. Ne, about 2 miles south of Ong, Ne. They did not live on, or work this land but rather hired men to operate it for them

Frank and Cassie Fauver Wight stayed in the Meat Market business for 19 years. During this time, Bertram Ernest bought the SW quarter of the Wight Section of land and built a home on it for himself and Ada Lamm who he had married in 1904. Harry Arthur Wight purchased the NE quarter of this Section, and built a home on it and later married Nellie Hanson.

In 1909, Frank who was then 57 years old, sold the Meat Market, and he and Cassie Fauver Wight moved to a cattle ranch they had purchased in the North Platte Valley, near Lemoyne, Keith Co. Ne. Frank and Cassie Fauver Wight enjoyed the ranch life and stayed there for 30 years, until they sold 1300 of their 4000 acre to the U. S Gov't. for it's purpose of building a dam, a Hydro Electric plant, and from the lake to be formed, supply irrigation for the surrounding area. The Lake required the moving of the town of Lemoyne, however the Ranch Spread of Frank and Cassie Wight was not removed, and today it's former headquarters is in the center, and at the bottom of Lake Mc Connaughy, the largest Lake in Ne. The Lake is located west of North Platt, and north of Ogallala, Ne. and is surrounded by recreational park land.

Frank and Cassie Fauver Wight were proud of their Ranch and it seems as though they knew it was time for them to think of retirement, from what Frank called his "Valley of the Nile". It was truly a great choice for the site of a Ranch location. Now as you approach from any direction you must go over high hills, and approaching from Ogallala, from the top of the hills surrounding the Lake it is easy to imagine the beautiful picture of a Ranch spread far below.

Frank Wight died in 1939, following a broken hip resulting from a fall. Cassie Fauver Wight made her home with Harry Arthur and family until her death following a broken hip in 1942, both are buried in Geneva Ne.

Bertram Ernest Wight and Ada Rebecca Lamm Wight, had three children, Nellie b 1903 who married Donald France, John Lester b 1904, and Dorothy Wight b 1908. Bertram in his later years lived in Lexington, Ne and was a Veteran of the Spanish American War. Bertram died in 1920 in Lexington, in a tragic railroad accident.

Harry Arthur Wight and Nellie Hanson Wight, had six children and their first child, Louis Dean Wight b 1913, is a bachelor and Cashier of the Bank in Davenport, Ne and continues the occupancy of the home built by his father on land purchased from his grandfather. He says all of the children of Harry Arthur and Nellie Hanson Wight were born in this home, and their mother was attended by the same Doctor, and in the same room, on each occasion. Dean Wight served in the Signal Corp in World War Two, and was stationed at West Point. The other children of Harry Arthur and Nellie Hanson Wight are, Nellie Louise b 1914, Ethel Louise b 1917, Marjorie Dixie b 1920, and Bonnie Jean b 1926. The four girls are each married and live out of State, each in a different State. The sixth child is Frank Richard Wight b 1928 who is a retired Air Force career Lt.Col. and enjoys his retirement after 24 years of flying fighter planes and B52's.

Dean gives an interesting paragraph about the Wights and John T Fauvers, in Ne. " One of my neighbors who is 85 years old, and recently moved to Geneva says he remembers Mr Fauver visiting the Wight farm. He remembers him as of rather short stature, as was my father, and my grandfather, Frank Wight.

Frank was a rugged individual type, and a hard man with boundless energy. He was an avid hunter, not so much with gun as with horse and hounds. Dad said he kept several greyhounds and hunted almost steeplechase fashion, with the horse jumping over low fences and hedges, to pursue the Prairie wolves

and coyotes. He rode horses after he moved to Lemoyne and the Ranch, but didn't think he continued hunting there." My father used to go to the Ranch to help with the haying and the branding. I was there several times, and once, when I was seventeen years old, got to ride granddad's favorite horse, and go with the cowboys to the Sand Hills, north of the Valley, and bring in the cattle for the annual branding. This was the highlight of my memory of the Ranch.

My Dad and Uncle Bert, were both strong men, and both were livestock dealers and cattle feeders. The Ranch at Lemoyne was essentially Cow-calf operation, and granddad would ship as many as 220 calves, weighing about 450 pounds each, down to my Dad in the Fall of the year, to fatten and ship to the Kansas City market, the following spring."

The mention of the stature of John T Fauver is interesting and recalls the persistent reference to him as " Little John", in the Eaton Twp area of Lorain Co. Oh., to distinguish John T and a John Fauver son of a Joseph Fauver in the neighborhood, when they were young boys, John T was called "Little John" and the other John Fauver was called "Big John" when they grew up John T Fauver was always referred to as "John T." while the other John Fauver was called "John".

My correspondence with the Wight family in Nebraska has brought out the middle name of John T Fauver to be "Tullis". His mother Margaret Taylor Fauver according to Lawrence Forvor first child of William and Margaret Taylor Fauver, once wrote that his mother, Margaret Taylor Fauver "had but one sister who married John Tullis, a farmer, they settled in Ohio where they both died" From this we can feel John Tullis Fauver was named by his mother after her brother-in-law.

Upon arriving in Lake Co., Ill, they purchased a farm, and Ephraim being a brick mason by trade, established a brick plant in Waukegon, Lake Co. Ill.. Ephraim's sons Elais and Ephraim worked with their father in the brick plant, and it is said, Ephraim Sr. had little time for the farm, the brick plant was so successful. The descendants of Elizabeth (Betsy) and Ephraim Belden, known to date are as follows;

Page 23      ELIAS CRAIG BELDEN b 1825 the third child of Elizabeth (Betsy) Fauver and Ephraim Belden, became interested in the California Goldrush, and secured passage on a sailing ship going around the horn to California. the vessel became becalmed off the coast of Mexico, and Elias proceeded on land to the Feather River Canyon, where there was a town by the name of Belden. We have no word of his success, however he returned to Waukegon Illinois in 1852 and in 1864, married Catherine Kucker, at Waukegon. Elias enlisted as a private in the 145th Ill Vol Inf in the Civil War and was

in action near Dalton, Ga.

Elias Craig and Catherine Kucker Belden, had seven children born in Waukegon between 1865 and 1878 . When they left Ill with their family, they had planned to go to Utah. They started for Utah, stayed over night in the area of the Little Brown Church in the Vale, near Nashua Io. They continued from there, only to return when they discovered they had forgotten their money, which they had buried over night at the Nashua site. They then gave up the idea of going to Utah, and homesteaded in the vicinity of Nashua. After the death of Elias in 1897, at age 72, at Chickasaw, Io, Catherine Kucker Belden homesteaded at Lemon, S. D. She later returned to Nashua, where she died, and both are buried in Nashua Io.

The first child of Elais Craig and Catherine Kucker was (Libby) Elizabeth Belden, b 1865, who married Edward V Wilson; the second was Millissa (Millie) Belden who married Edward VanBowen and later married Delbert - - -, the third was, Celia Belden b 1868 who married Arthur Loomer, Ephraim the fourth child, married Edna Graham in 1897.

The fifth child was Maude Estelle Belden b 1876, and married Arthur Watts in 1897, at Nashua, Chickasaw Co. Io. Arthur Watts was proud to say he spent his boyhood in the shadow of the Little Brown Church in the Vale, as he was born in Nashua in 1875, and left there in 1900. Years later Arthur Watts returned to Nashua for a visit, and at the Little Brown Church he met Dr. Pitts, a country practitioner, who was one of the group of people from the area of Bedford Io that in 1860 organized to build a Congregational Church in the area of Nashua. Dr Pitts was thoroughly inspired with the program and his enthusiasm prompted him to write the Hymn "The Little Brown Church in the Vale" and he sang it at the dedication of the Church.

When Arthur Watts and his family moved from Nashua, they made their home in Bellingham Wa., where he became a prominent member of the community and an outstanding Realtor. Arthur Watts died in 1930, and his wife Maude Estelle Belden Watts died in 1950, both are buried in Bellingham Wa.

The children of Maude Estelle and Arthur Watts are as follows; the first child was Ruth Maud b 1889 at Nashua, Io; the second was Catherine Charlotte b 1900 at Bellingham Wa. and married Dr Edward Keown Stimpson in 1933, Dr Stimpson died in 1981; the third child was Elizabeth Artis Watts b 1912, and married Preston Van Fleet Henly; the fourth child, Arthur Belden Watts b 1916, married Margaret Jean Morse b 1919, at Bellingham Wa., and their children are; Ellen Liase Watts b 1951 married Paul G Nodine in 1974 Arthur Belden Watts Jr b 1952, married Marilyn B Megs in 1979; William Morse Watts b 1955 married Melissa Laura Shipman and the fourth child is Emily Catherine Watts b 1959.

For more than 500 years there have been changes in the spelling of the name while the mansion has remained and retained it's charm.

Jessie Mehalia Belden b 1878 was the sixth child of Elias Craig and Catherine Kucker Belden and was born at Waukegon, Ill and married Andrew M Troutner.

25 GEORGE FAUVER b 1796, the fourth child of George and Elizabeth Penton Fauver, has been shown in the Bible REcord of the Beach, Terrell, Fauver, and Tyler families, to have been born in Bridgeport, N.Y. which is about ten miles north of Syracuse, N.Y. The area of Bridgeport N.Y. was not settled until 1815, when the first cabin was built there, and only Indians had used the area up to that time. We are certain George b 1796 was born in N.J., and it could very well have been Bridgeport N.J. which is close to Swedesboro, N.J. where his father George b 1752 was baptized.

George born 1752 was very clear in his War Service Pension application insaying he was in N.J. until 1898 when he moved to Lansing N.Y. George b 1796 in the 1860 Census shows himself to have been born in N.J. The cebsus of 1880 asked each person listed to show the place of his birth, as well as the place of birth of his father and mother. The three sons of George b 1796 who had spent more time in the places George b 1796 had lived than anyone else except his wife, each said his father was born in N.J.. These three sons are, Thomas Walter, Robert Patterson, and Alvin Bradley Fauver.

George b 1796 and his older brother William F Fauver b 1791 were each drafted for service in the War of 1812, at Newfield N.Y. With twelve other draftees from the area, they were marched to Bath N.Y. and inducted into the Army. Their service was short, and not more than ten or twelve days, however no written discharge was given them until later. George in his effort to be compensated for his march to Bath NY and back to Newfield, had trouble in identifying himself with his Army unit by name or number or by it's Officers names. Years later when the Pension Act was approved for Veterans of the War of 1812, he had the same trouble.

It seems George b 1796 and William were including their service in the local Militia with the few days served in the Army.

In an affidavit describing his Army service he gave the following information which I have summarized as follows; Drafted 3 Jan 1814 at Newfield N.Y., marched to Bath N.Y. with 12 other inductees, then inducted into the Army. Immediately marched to Buffalo N.Y., which had been burned by the British the 30th Dec 1813. When their march neared Buffalo, N.Y., they were ordered to "fall back" due to lack of supplies and shelter. They marched back to Bath N.Y., were discharged without being given written discharge papers, told to go home, be ready for recall at anytime.

Willian F Fauver filed an affidavit supporting George's claim in which he said he was drafted at the smae time and place as George, served the same time, was with George every day of the service, and had the identical experiences George had recited.

Neither William nor George received a pension because of the short period of service. The Army records show he served 8 days, not including his time marching to and from Bath and Newfield NY.

George b 1796 as a final effort to get a pension, in 1872, wrote another letter in which he says he received a Land Warrant for service, and describes the Warrant which he sold to Richard Dewhurst. Warrant No 72380 for land in Clarke Co. Wi, NW 1/4 section 33 Town 26 Range 1 West.

It seems George did pretty well after all, for his service of 8 days.

George and Patience Shephard were married in Newfield Ny in 1814 and their first child was born there, between 1814 and 1817, they moved to Greenwood Twp, Steuben Co. N.Y. where eight of their children were born between 1819 and Sep 1836, next they moved to Lorain Co Oh where their eleventh and twelfth children were born.

In the 1860 the people of Lorain Co were hearing about the draining of the "Black Swamp" which had covered a very large portion of Henry Co. Oh. and extended into large areas of several adjoining counties in NW Oh. The swamp had impeded the growth of the area as travel was very hazardous thru the swamp. When the Black Swamp was drained and the forest removed, it left very rich flat land desirable for farming. This was very attractive to those seeking a new location, new experience, and a challenge. A large number of people from far and near, moved to Henry Co. and those from Eaton and Ridgeville Townships in Lorain Co. were in sufficient numbers to name their new location "Ridgeville Corners", Henry Co. Oh

George and Patience Shephard Fauver, their three sons, Thomas Walter Robert Patterson and Alvin Bradley, with their families, in the late 1860's moved to Henry Co., and their descendants are found today thru Henry, Fulton and Williams Counties in numbers and in lesser numbers in southern Michigan

Page 25 LYDIA A FAUVER b 1813, was the first child of George and Patience Shephard Fauver, and was born in Newfield, N.Y., married Allen Miner who was born in Lansing, N.Y.

"The Record of the Family, Complete from 1333 to 1909" is an interesting piece of work of the Miner family. It tells of the loyalty of Henry Bullman, a miner, gave up his mining and joined the forces of King Edward 111, of England, during the War with the French. Before listing the generations to 1909 it reads as follows, " This Henry Miner, died 1359, it appears from the record that Henry Miner up to 1333 was Henry Bullman, the miner, but by the King's decree, changed the name to Henry Miner, in honor of his loyalty, and the lucrative business he left, to serve his King."

Lydia A Fauver and Allen Miner had seven children, six of whom were born in Greenwood, Steuben Co. N.Y. and the seventh in Canisteo, N.Y. The children are, Russell C b 1836, Mary B b 1838, William B 1840, Dorothy b 1843, James A b 1848, Ann Elizabeth b 1851 who married William Henry Eldred, and George Allen Miner b 1858.

The second child of Lydia and Allen Miner, Mary B Miner b 1838, married John Phillips, and they lived on East Ave. at the corner of 16th St., in Elyria, Oh. Mary and John Miner had a son Miner Phillips, and an adopted son Albert Jones. John Phillips died prior to 1880, as the census shows Mary to be a widow. b in N.Y., her father b Ma and her mother in N.Y. In 1900 Miner Phillips was employed as a druggist, Albert Jones is listed as adopted and born 1884 in Mn, his father and mother were born in Denmark. In 1900 Albert was attending school and later worked at the Garford Automobile plant in Elyria, Oh.

Mary B Miner was closely associated with Martha Victoria Thayer Fauver, the fourth wife of Alonzo Fauver, and her family. Lois Stevick called my

attention to the name Mary B Miner when she saw it on the Chart. She recalled knowing her and showed me a china Cup and Saucer, Mary B Miner had given her when she was a small child.

The sixth child of Lydia A and Allen Miner, Ann Elizabeth Miner b 1851 married William Henry Eldred b 1841, and they have seven children, Harley Preston Eldred b 1872 married Margaret May Elliott, Charles Samuel Eldred b 1876 married Katie Reed, Pearl Estelle Eldred b 1881, Mary Josephine Eldred b 1890 married William Isaac Brokow, George Washington Eldred b 1886 married Alma Buetler, Matie Eldred b 1890, Miner William Eldred married Florence Breckenridge and later Vera Funk.

The members of the Eldred family, number about one hundred in the Fauver line. Their ancestors were among the earliest settlers in Lorain Co. and particularly Eaton and Ridgeville Twps. They have held many positions of trust in local municipal government, and have left an outstanding record in community service as well as Military Service to the Country.

Page 32

ALONZO BURNAM FAUVER b 1817, was the second child of George and Patience Shephard Fauver, and was born in Newfield, N.Y., and died in Carlisle Twp., Lorain Co. Oh in 1899. Alonzo had lived in Eaton Twp. Lorain Co. Oh. for about 50 years and during that time had married four times, and had a family of 19 children by the four marriages. Alonzo came to Eaton Twp. with his parents and family and later acquired one of the largest farms in the township. The farm was located on the north side of Chestnut Ridge Road, west of a point where Durkee Road meets Chestnut Ridge Rd. and the farm extended into Ridgeville Twp. as well. From here the Eaton Twp. Butternut Ridge Cemetery is located one-half mile south on Durkee Rd at its intersection with Butternut Ridge Rd. The Cemetery is in the NE corner of the intersection and at the very point of the corner there was a one room schoolhouse, the NW corner had a cheese factory.

In later years Alonzo sold his farm and moved two miles west on Chestnut Ridge where he bought a smaller farm in Carlisle Twp., where he remained until his death. This farm was sold by his estate at public auction and the purchaser for \$3000. was Susan Beach Fauver.

Alonzo B and his wife Sally M Morgan, had five children, Albert b 1839 who died at age 6 . The second child Cornelia E Fauver married Perry C Sheldon who was a stone mason by trade and the Elyria Republican Newspaper, under its North Eaton Column said " Mr Perry Sheldon of Elyria has been building some excellent bridges on our roads. The one near the south crossing is especially good" Cornelia and Perry Sheldon had three children: Albert b 1863, Alonzo W b 1872, and Maude Sheldon b 1877. Albert worked in a candy factory when he was young and later in 1900 worked in the saddle factory in Elyria. He

married Kitty - - -who was born in NY, and they had no children. Alonzo W Sheldon married in 1901 and married a second time in 1910, and later married a widow, Eunice Ashley who lived in Lorain, Oh. The death notice in an old record came to my attention and I called the daughter listed in the notice. The daughter told me Alonzo was buried in the Ashley Cemetery lot in Axtel, Oh. The daughter said she and her brother both children of Eunice by her first marriage, were very proud of Alonzo and that they could not have had a better person as father in their household and he got along very well with their mother and the family. Alonzo W Sheldon had no children of his own and treated these children as though they were his own.

Maude Sheldon married John Conabee, who was the Street Commissioner, under the Service Director of Elyria, they had a daughter Marjory Conabee who married Curtis Tyson of Elyria. Perry Sheldon husband of Cornelia Fauver Sheldon, was a Veteran of the Civil War, having enlisted very early in the War in Co H, 103rd O. V. I. and served to the end of the War. Perry died in Elyria in 1900.

Elbert Fauver b 10 Feb 1843 was the third child of Alonzo and Sally M Morgan, and enlisted as a private in Co H, 103rd O.V.I. and was mustered into service at Camp Mitchell, Ky on 8th Sep 1862, with him in the enlistment were Elliott Cole and Henry Weeden, both in the William Fauver Line.

Elbert is shown on the Company Roll " died in Hospital in Frankfort (Ky) 23 Nov 1862" Further records show he died of Typhoid Fever. This was a severe blow to the family, and particularly to Alonzo. Sarah A Thayer Fauver, who in 1862 was the third wife of Alonzo, wrote her sisters the 7th of Dec. 1862 as follows" Perry (Sheldon) wrote he (Elbert) was in the Hospital sick, but would be better in a few days, he was discouraged. That was all we heard

until Alonzo got a dispatch from Dr Grizzell, that Elbert was very sick, to come that night if possible. He could not start until the next morning, which was Sunday, had to stay over night in Cincinnati, arrived in Frankfort, Monday but Elbert had died Sunday night. It was a solemn Thanksgiving for us, Alonzo has not been well since he came home. He brought Elbert's remains back, and was buried Thanksgiving Day, on Sunday his funeral was preached at LaPorte (Ohio)."

The fourth child of Alonzo and Sally Morgan Fauver was Adelbert b 1845, who died 16 days after birth.

The fifth child of Alonzo and Sally Morgan Fauver wa Philinda b 22 Dec 1845 and married Will Hendershott. After Will's death, Philinda married Howard Horning, 9 May 1867, at LaPorte, Indiana, their child was named Alonzo and was born in 1871, Philinda died in 1872.

Following the death of his first wife, Alonzo B Fauver married Emeline R Kibby, b 18 Sep 1847. Alonzo and Emeline R Kibby had six children. The first child was Wilson H Fauver who died at age 12 in 1860, The second child was Roswell b 1850, who died in 1869 while working as a farm hand in the adjoining Columbia Township, Lorain Co.Oh.

JULIAN FREMONT FAUVER b 26 June 1852, was the third child of Alonzo and Emeline R Kibby Fauver. Julian in his later years in response to a question to readers of the local newspaper as to "Who was born in a log cabin?" wrote the paper as follows; "I was born in a Log Cabin in 1852, one mile north and  $\frac{1}{2}$  mile east of Eaton. I lived there until eight years old, and I walked every day a mile and a half thru the woods to school. Mother spun the cloth and our shoes were made of full cloth with soles of Woodchuck hide. The cabin is no longer there."

From this we can say all the children of Alonzo and his first and second wives were born in the Log Cabin.

Julian married Susan V Beach, 28 Mar 1872, Julian was a farmer most of life except for one or two occasions when he took employment in local factories.

The family of Susan Beach is of Historical interest as she is the granddaughter of Junia and Hannah Ingraham Beach. Junia and Hannah I Beach, with their children, Electa b 1811, Phil b 1813, and Lyman b 1815, moved from Norfolk, Litchfield Co.Ct. to settle in Ohio. Their trip was by team and wagon from the NW corner of Ct. to Buffalo, N.Y., where they boarded a steamer destined for Cleveland, Oh. The schooner leaked, and the passengers feared for the safety of their properies aboard, and mostly for their lives. At last the Captain discontinued the trip at the mouth of the Grand River in Ohio, and the passengers continued on their respective ways. Junia Beach and family continued west by horse and wagon, thru Cleveland, and to Ridgeville by trails or roads previously used. From N Ridgeville they continued west thru the area laid out by Heman Ely, to become the Village of Elyria, and about two miles west of this settled in a cabin which had been used by hunters and trappers.

At their new location on 10 Sep 1817 another child was born to the couple and was named Henry Beach, and was the first white child born in Elyria Twp. Their son Lyman had previously died enroute from Connecticut. Three months after Henry was born, his father Junia Beach died and was the first settlor of Elyria Twp to have died. Hannah loaded the family wagon with their few possessions, three children and the body of her deceased husband. Then drove to where Artemus Beebe, Carpenter and Joiner in the empoy of Heman Ely, built a coffin for Junia. She then proceeded beyond Ridgeville where Hannah buried him in what is now, Evergreen Cemetery, Westlake, Oh. Hanna found shelter in NRidgeville and then was employed by Amoe Sperry, as housekeeper as his wife had just recently passed away. Later she married Amos Sperry and they have a son named after Hannah's first husband, Junia Sperry. Hannah Ingraham Beach Sperry lived to within ten days of her 100th birthday, and printed invitation had been sent out, expecting to make the day a memorable one for this remarkable Lady. One of the invitations and pictures of the family are in my scrapbook. A similar day was arranged and celebratet for her two years before and her son Philohad written a poem about her life and experiences which was a tribute to her and tells of her warmth and courage thru many hardships of the pioneer days. Henry Beach the first white child born in Elyria Twp. lived in Lakewood and died at 98, and is buried in Riverside Cemetery, Cleveland.

Julian and Susan Beach Fauver had two sons, Guy Wesley b 10 Jul 1876, and LeRoy Fauver b 13 July 1879. both were born in Eaton Twp Lorain Co. Guy FAuver married Bertha Elizabeth Munz 13 May 1897. They spent the first five years of their married life in Lorain and since then have lived in Elyria where they raise two children, Mildred Aletha Fauver b 4 July 1903 and Earl J Fauver b 25 Jan 1905.

Mildred Aletha Fauver was intrested in music and developed her talent and played Violin, piano, pipe organ and was also an expert stenographer, at the time of her death at age 28, and is buried in Brookdale Cemetery where her parents were later buried. Earl J Fauver married Dorotha Lucille Doane, 18 Mar 1930. Dorotha Doane Fauver is also interested in Genealogy, and has proven her descendancy from John Morton, a signer of the Declaration of Independence and her lineage has been accepted by the Nat'l. D. A.R. and the organization of "Descendants of the Signers of the Declaration of Independence."

John Morton was born, lived and died in Ridley, Chester, Pa. and was a member of the Pennsylvania Delegation to the Continental Congress. John Morton cast the deciding vote, 3 to 2, in favor of the Pennsylvania Delegation accepting the Declaration of Independence. John Morton, Benjamin Franklin, and James Lewis, are the only Pennsylvanians to have voted in favor of the Declaration of Independence, and signed the same. John Morton has a long record of public service in the Colonial period, having been elected and or appointed to many positions of trust, including the Stamp Act Congress, Sheriff, a legislator, and to the Continental Congress.

Earl J Fauver graduated from Elyria High School, became the messenger boy for the Lorain County Savings And Trust Co. Elyria, Oh and employment with that company continued for 52 years. During that period he held many and various positions and titles with the company, including Director, President, Executive Officer, and Chairman of the Board of Directors. Green Univ, spent three years in France and Germany with the Army, then started on a Banking career which has taken him to Sacramento Ca where in 1984 he married Gloria Jean Bethea.

LeRoy married Eleanora (Nellie) Lippy, 10 Jan 1902 and after a long illness her death occured in 1908. ALICE OPHELIA FAUVER b 1854, the fourth child of Alonzo Burnam Fauver and Emeline R Kibby, was born in the family log cabin located in Eaton Twp, Lorain Co.Oh, where the family lived until 1860, when they moved to the new farm home Alonzo had built on Chestnut Ridge Road, near Durkee Raod, in Eaton Twp. It was from here Alice Ophelia Fauver married William H Rogers in 1870.

William H Rogers was born in Cornwall, England, and came to America, with his father William, brother Richard, and sisters Marie and Ellen. Their mother having died in England, their father decided the best opportunities for his children were in the United States and proceeded to make the arrangements. They boarded the steamer "Kangaroo" at Plymouth, England, and after one stop, at Queenstown, Ireland, proceeded on it's two week crossing to America. Upon arrival, the family proceeded to Pittsfield Twp. Lorain Co.Oh. where William's brother had previously located.

William rented a farm of 60 acres which he operated for several years then purchased an 80 acre tract of land in Lake Twp. Wood Co.Oh., just north of Latchie, Oh, and about ten miles south of Toledo, Oh. The town of Latchie consisted of a railroad thru the town, a Church, school, a blacksmith shop, saloon, and a general store which included the local Post Office. A nice quiet little town, except for the railroad.

William had purchased undeveloped land, heavily wooded, with no access to his purchase. He first cleared an access road, then cleared land to start farming. Next he built a fine home for his family. He had married Mary Hancock of Wood Co. and they started a family life in the new location.

William H Rogers had started his education in England and completed it in Pittsfield Twp., Lorain Co.Oh. and then engaged himself in farming in the Pittsfield Twp. area for a few years, and until he purchased a farm in Wood Co. about a mile north of his father's farm. In 1870 he married Alice Ophelia Fauver and they started their married life in the new big farm home in Wood. Co.Oh., with it's typical wood fired cast iron kitchen range with the hot water resevoir in the range, and there was a cast iron pot bellied stove for heating the living area. The home had the usual Sunday Parlor, which was closed during the winter to save on heating, and was also closed at other times to keep this show place from wear and tear.

Alice Ophelia and William H Rogers needed the large home for their family of nine children as follows;

Jesse Rogers b 1874 did not marry and spent many of her years with her next younger sister Tillie Rogers Adkins and family.

Tillie Rogers b 1874 taught school for several years, and was one of the first teachers hired by the local Board of Education for the new Latchie Oh School. She married Richard A Adkins and they lived in Toledo, OH.

Edward H Rogers b 1879 was a pensioned Spanish American War Veteran and never seemed to become serious about working, he was married several times, and some of the family believe he depended on his wives to maintain his standard of living.

Charles Wesley Rogers b 1879 did not marry, and spent his early years on the farm.

Judson Rogers b 1881 married Edith Picklehaupt and they had no children.

Louisa Rogers b 1883 married EARL R Powell, a Railroad Telegraph Lineman, and his work required him to live in Indiana, They had no children.

Roy Rogers b 1884 married Anna Brodersen and they remained on the family farm near Latchie.

Ross Rogers b 1884, a twin of Roy, married Lenore Sibbersen and they had two sons, William H, and Donald Rogers. William H has a son and daughter and two grandchildren. Donald has six daughters and three sons, and ten grandchildren.

Flora Rogers b 1887 married Louis Knudson, a Latchie neighbor who had a large Dairy farm. They had three daughters, Florence married David Breese, Martha died at age 22, Alice married Elmer Klug and they have retired and live in Florida. Jack, son of Flora Louis Knudson is a Doctor and served in the Medical Corp of the Army in Germany and married Esther Jensen who is also a Doctor and they have their practices in Oakland, Ca.

Tillie Rogers the second child of Alice Ophelia and William H Rogers, lived in Toledo after her marriage to Richard A Adkins, and after their marriage he opened a grocery store at Cherry and Superior streets in Toledo, which he operated for a number of years and sold the store to the father of the present owners of a large chain of local grocery stores in the Toledo area. Apparently the store then lacked the personal owner interest and it was closed. When Richard sold the store he bought a business site and later opened another store at that Adams St. site which he sold later and opened a store for the third time, which was eventually closed.

Edwin Adkins graduated from Ohio State in 1920 and worked as a Chemical

Engineer for about a year in Rossford, Oh. when he left his profession and with his brother George Adkins opened a Grocery Store in Toledo. A year later his father Richard Adkins, brother George, and sister Ruth died within a year of each other from meningitis, and Edwin continued the grocery business in which he was occupied for 37 years.

Judson and Charles Rogers brothers of Tillie Rogers Adkins had worked with Richard Adkins in his Grocery store and gained experience in its operation sufficiently to open a store of their own in the area, they took the opportunity to acquire another store nearby and Judson managed the first store and Charles worked the second store.

Two of the daughters of Tillie's sister Flora Rogers worked in the Adkins store until it was closed, when Florence became Manager of a Howard Johnson Restaurant and Alice became Manager of a Heinrich's Bakery in Chicago. The Children of Tillie Rogers Adkins and Richard Adkins are as follows; Roger Adkins b 1898 the first child of Tillie and Richard Adkins died at eight months of age.

Edwin H Adkins b 1898 is a graduate Chemical Engineer of Ohio State U. married Amy Wright and they have three sons; Thomas b 1928 died in 1973 leaving his widow Marie Parr Adkins and two daughters, Dianne Marie and Lynell Amy Adkins. Page 38            FREMONT A FAUVER b 1856, the fifth child of Alonzo and Emeline R Kibby, married Aurelia Witherel of Cleveland, OH., whose father George Witherel settled in Cleveland in 1820. He was an outstanding Marine Architect, and is credited with building many of the early lighthouses on the Great Lakes for the U. S. Government, and is widely known as a pioneer in that field of construction work.

Fremont as a young man left his home in Eaton Twp. with a friend "Coon" for Leadville Colorado, to find work. They had a friend in Leadville and looked for his guidance. On the 16th of Mar 1880, Fremont wrote an interesting letter to his sister Marian Fauver, in which he tells her that upon arrival in Denver, the temperature was 20 degrees below zero. There is an interesting side-light to this as in 1862, Alonzo's third wife had written a letter to the sister saying Fremont was staying home from school because his feet were too tender to stand the cold winter weather. Probably frostbitten. Fremont's letter continues and says the streets of Leadville are crowded on Sunday, and every store and saloon is open for business. He was concerned about money as he said, he and his partner had to pay \$6.00 a week for a room and .36¢ for a meal. He said Leadville was like living in a balloon, ten thousand feet high, "the land of the living". He thought there must have been 500 people looking for work, and it would be easier to find a particular person in N.Y. City, than in Leadville. After his sojourn he returned and later married Aurelia and they had a son Harry "Hal" Fauver b 5 Sep 1885 in Cleveland, Oh Fremont's principal work was in Akron where he was the Manager of the Akron Paint and Varnish Co. Harry is his own biography says his father was engaged in the manufacture of Varnish for many years, gaining competence that enabled him to spend

his declining years in ease and comfort.

Harry W (Hal) Fauver attended Akron High School and was a student of Chemistry at Case Western Reserve in Cleveland, for three years. He left College and was a chemist for Goodrich Rubber Co. in Akron for two years. He then became the Branch manager of Sales in the Goodrich Indianapolis Div'n. He was next promoted to Sales Manager of the Companies Diamond Div'n. in Detroit, which position he held until 1915. At that time he had completed his plan to start the Detroit Rubber Products, Co. of which he was Owner and President.

The Company prospered under Harry's management and leadership. He is said to have developed the weatherproof product used in the glass track or channel for automobile windows, making it possible to have full size doors and glass windows that could be raised or lowered. This replaced the old half doors, side curtains with celophane windows in them, and always let in the cold air.

When in Indianapolis he married Julia M Pflueger of Akron and Harry and Julia had a daughter Julia W Fauver who married Charlton Poole of Akron. Charleton Poole was the Lincoln-Ford Dealer in Akron and they had two children, Lynda who married Emil Bolo of Brunswick, N.J. and a son David a student in Akron in 1956

Harry's first wife was Julia M Pflueger who died shortly after the birth of their daughter. There was an Olga Fauver, Sec'y. of his company whose death notice says she was his wife, Harry's biography says he married Margaret Forsythe Jan 6 1923 and that she was a lifelong resident of Detroit. Harry's death notice says his wife surviving him was Elsie.

At this point in time, and before marrying a third time, Alonzo built a large farm house on Chestnut Ridge Road, which we refer to as his farm. The hardships of life in the Log Cabin are evident by the mortality record of the children of Alonzo and his first two wives. Of these eleven children born to them, four died between birth, and age twelve, the remaining seven lived to maturity.

Of the eight children of Alonzo and his third and fourth wives, one died at age 1, and seven lived to maturity.

Page 39

Following the death of Emeline R Kibby, the second wife of Alonzo B Fauver, he married Sarah Ann Thayer, a daughter of Ephraim and Sarah Green Thayer. The Thayer family was a part of the early settlement of several New England communities.

Alonzo and Sarah Ann Fauver had a daughter Marian Fauver b 1863, who in the census of 1880 is listed as a clerk in the "Fields Grocery and Dry Goods Store", and in 1887 married George Daniels, a widower who had four children. George Daniels was born in Northampton Engalnd where he learned the shoe making trade. Upon coming to Lorain Co. he became a partner in the retail shoe store of Philpott & Daniels in Elyria. George and Marian Daniels had a daughter Lois, who married Harley Stevick who for many years was the Executive Secreteary of the Elyria Y.M.C.A., and in his capacity and leadership, has been gratefully acknowledged by all.

Lois and Harley Stevick have two sons, Daniel Bush Stevick and Philip Thayer Stevick. Daniel Bush Stevick is a professor in the Episcopal Seminary at Cambridge Ma, and is married to Laurel Anderson. Daniel and Laurel Stevick have two children, their daughter Carol Joyce Stevick b 1956, married Rev, Randolph Williamson, and in 1981 became the parents of the first great grandchild of Lois amd Harley Stevick, who is named Joshua. The second child of Daniel and Laurel Stevick is Peter Taylor Stevick b 1957, a 1981 graduate of the Atlantic College at Bar Harbor Ma. Lois Daniels Stevick for many years up to 1984, when she passed away, at age 90, was the oldest living grandchild of Alonzo B Fauver, and she and her mother had spent their lifetimes in Elyria. Both were deeply interested in the lives of the members of the Fauver family, and Lois had developed a great ability to recall names and places, as well as events known to her in the past. It was the compilers privelege to have spent many hours over past few years with Lois and Harley Stevick, visiting and discussing many family matters known to Lois. She would get out old letters, pictures, newspaper clippings, etc. No one could tell me about my Gt. Grandfather, Alonzo, any better than Lois could from her personal knowledge and things toldher by her mother. There was at no time any hesitation on her part in telling me of the fine character of Alonzo. He was known as being a hard working man, kindly to his family and others, trustworthy, respected in the community, and a devout member of the LaPorte Methodist Church which he and his family attended regularly. In later years when his son James Ray was Choir Director and Solist for the Elyria Methodist Church, Alonzo and his fourth wife Martha Victoria Thayer Fauver transfered their membership from LaPorte to the Elyria Methodist Church.

Page 39

Upon the death of Sarah Ann Thayer Fauver, the third wife of Alonzo, he married Martha Victoria Thayer, daughter of Ephraim and Sarah Ross Thayer, a half sister of Sarah Ann Thayer. Martha Victoria Thayer was given the name Victoria in recognition of the marriage of Albert to Queen Victoria of England in the year of Martha's birth, 1840.

At the time of Martha's marriage to Alonzo, there were six of Alonzo's children living at home; Roswell age 15, Julian age 12, Ophelia age 10, Fremont age 8, Emeline 6 and Marian age 1. Martha and Alonzo had seven children as follows; William A b 1865, Ross Leonard b 1867, Edwin M b 1870, Lewis C b 1872, Martha Grace b 1876, Frank Rollin b 1878, and James Ray b 1880. Martha won the respect and admiration of the thirteen children coming into her life, and made a friendly and happy home for the family.

Of the seven children, Edwin M was the only one not to reach maturity. Each of the others lived his full span of years, and several of the boys lived with their mother, on East Ave., between Second and Third Streets in Elyria, after Alonzo's death and until the death of Martha in 1903.

Martha Grace was the first to marry and her husband was J Boyd Loughry, they had a son Theodore Fauver Loughry who married Esther Gunson. Esther Gunson Loughry died when their daughter Martha Joan was about ten years old and Theodore then married Alice Marie Webster. Theodore died in 1967 and Alice Webster Loughry lives in Florida. Martha Joan Loughry has been with United Airlines for more than 25 years and makes her home in the Washington D. C area.

William A Fauver and Ross L Fauver did not marry, and were always the center of attention and interest in the family. William A worked in Akron and spent his last days in Livermore, Ca. Ross was a partner in "Fauver and Robson" a retail men's clothing store in Elyria, which later added

Dry Cleaning to their services, which survived the store operation by many years. William A and Ross are buried in Butternut Ridge Cemetery, Eaton Twp Oh and although their graves are not marked, they are buried in the plot with the Fauver marker and has the names, Alonzo, Martha, and Edwin M. on the same.

Lewis C Fauver married Floy Bivin of Amherst, OH. and he worked in the clothing store of Fauver and Robson. Later he opened his own store in Ashtabula, Oh. After selling that store, he became the Men's Clothing Dep't. Manager of the May Co. in Cleveland, and was very successful. He then became County Chairman of the Republican Party and upon the election of Frank Willis of Delaware, Oh., as Governor of Ohio, Frank Rollin Fauver was appointed Director of Public Works for the State of Ohio. Later he accepted the position of Legislative Representative for the American Steel and Wire Co., which position he held until his retirement. He was always interested in politics and the Republican Party, and was said to have been very influential in statewide politics. A few years after his retirement, Julia Schneurer Fauver passed away and Frank Rollin gave up his home in Columbus and lived with his son Frank R. until his death, 7th Jan 1954. Both Frank Rollin and his wife are buried in Union Cemetery, Columbus, OH.

Frank R Fauver makes his home in Lakewood, Oh and is the Financial Vice-Pres. of the Great Lakes Towing Co. of Cleveland, Oh., his daughter and her family live in Utah.

Page 42 Jame Ray Fauver b 1880, completed seven grades of elementary school education and was a tall, thin, dark haired young man, whose friendly expression and manner, together with his warm personality, attracted people to him. In his middle years he wore glasses, and had added a little more weight, but he was always the same good natured and friendly person.

His first working experience was on the farm, and after leaving that, he became an avid reader of books on those subjects of interest to him, and gained considerable knowledge of many of these subjects.

One of his early interests was his exceptionally fine natural basso singing voice. For some time he sang in the Elyria Methodist Church Choir, and later became its soloist and its Director. In about 1903 his talent earned for him, the coveted first honors at the Eistedfodd Festival held in Cleveland. The Cleveland papers reported the event as follows; "His performance is notable in that he is entirely without experience, and at the same time contested with vocalists of almost International fame" In addition he was the Director-Manager of the Haydn Quartette, and Manager of the Trillium Trio, which were in demand for many occasions. His other recreational interests throughout his life were, fishing, hunting, gardening, photography, and cooking.

The second employment of James Ray Fauver was with the Lorain Steel Plant in its rolling mill. Later he was employed by General Electric Co. as a Mechanical Draftsman. Next he became the Tool Buyer for the Pierce-Arrow Motor Co. of Buffalo, N.Y. and later its Night Superintendent of the plant.

Following this work he went to California about 1910 and at Exeter Ca he and Caribel (Carol) Thew, daughter of (Cap't) Richard Thew and Priscilla Lawrence Thew, of Lorain Oh. were married.

James Ray Fauver was Manager of various properties in California, and the owner of several Orange and Grape Ranches, and as such he became interested in the development of agriculture in the State, and became effectively involved in these projects in California.

The great Central Valley Project, (Shasta Dam and Power Station, north of Enterprise Ca, and the Friant Dam north of Fresno, Ca. in which he was involved, was envisioned in the late 19th Century in California, by those who saw the need and the potential for agricultural development, in the area Shast Dam and Friant Dam, and their connecting canals, were all a part of the plan developed by the State of California and the U.S. Army Corp. of Engineers. When the agricultural ranchers of the great San Joaquin Valley took active interest and action in the project in 1929, James Ray Fauver joined the movement and worked diligently and effectively, on the project for the remaining sixteen years of his life. During this period he was chosen and appointed to many related positions and committees, including, a member of the Tulare Water Commission, appointed by Gov. Rolph of California to the "Advisory Committee of Agriculture to assist the Water Resources Commission", Director of the Nat'l, Reclamation Association of which he was Budget Chairman. In 1944 he attended the commencement of the Shasta Power Station, which ceremony was presided over by Harold Ickes, Sec'y. of the Interior. The efforts of James Ray Fauver were recognized by Government Officials of many levels.

The following year, while on a salmon fishing trip, James Ray was stricken and taken to Arcata, Ca. where he died 9th Dec 1945.

James Ray and Caribel Thew Fauver had two children, the second child James Ray Jr. died in 1927 at age three. The first child, Martha Thew Fauver, married Stanley Curry the 4th Sep 1938, and they have three children, Priscilla Margaret Curry b 1940, Pamela Francis Curry b 1942, and Myron James (Casey) Curry b 1950. Each of the three is married and each of the daughters have three children. Stanley Curry died 1975, and in 1977 Martha married Wilburn Maloy, who died in 1978. Martha Fauver Maloy now lives in Sacramento, Ca, where her family is located, and has numerous interests, activities, and projects, which together with her family and friends, keep her busy and active in that community.

From generation to generation of the Thayer family word has been passed on that the Thayer family was descended from John Alden the pilgrim. Martha Thew Fauver Maloy is the first Fauver to prove this lineage when in 1985 she became a member of the Descendants of the Passengers of the Mayflower thru her grandmother, Martha Victoria Thayer Fauver and her father James Ray Fauver.

Lorain Co. Oh. were married, and they remained in Lorain Co. until about 1860's when they became a part of the early settlement of Freedom Twp., Henry Co. Oh.

A deed recorded in Henry Co., dated 31 Jan 1860, given by Thomas Walter and Alzina Cornell Fauver to his brother, Bradley Fauver, shows the grantors to be residents of Lorain Co. Oh and transfers 20 acres of Sec 18 Range 6, in Freedom Twp for a consideration of \$200 paid. Another deed dated 6 Feb 1861 shows the same grantors to be residents of Henry Co. Oh and transfers 60 acres of Sec 18 Range 6 Freedom Twp, Henry Co. to James Cornell for a consideration of \$600.

The census of 1860 shows Thomas Walter and Alzina Cornell Fauver to be residents of Henry Co. OH. Thomas Walter and his wife returned to Lorain Co with their younger children for a period of time, and then went back to Henry Co. in 1865. Alzina Fauver died in Henry Co. in 1877 and was buried in Locust Grove Cemetery, Ridgeville Corners, Henry Co. OH. A year later Thoams Walter returned to Lorain Co. and married Fidelia Cornell, a sister of Alzina, and they had one child, Thomas Donaldson Fauver.

Upon arrival of the first Fauvers in Henry Co, in 1860, they found the area of Ridgeville Corners to be growing, and offering opportunities for retail outlets, other investments and services, in addition to farming.

An early History of the County for 1867, gives an interesting description of Ridgeville Corners, as follows;" It is a nice little town that has one grocery store, that is a seven by five affair, where tea, coffee, staples, are available at such high prices that the greater part of the citizens buy in nearby villages, where prices are more reasonable" Possibly this was the Robert Patterson Fauver store, as Scofield's did not open until 1872. There was a Saw mill and a cheese factory, and "by 1882, the town had grown to include two well stocked stores selling groceries, drygoods, Hardware, medicines, drugs, paints, and oil, and each store had a huckster wagon. There was a bicycle shop, blacksmith shop, steam powered saw mill, repair shop, shoe store, a hotel, brick yard, tile factory, feed mill, a resident physician, two large Churches, one music teacher, a new school, and no saloons"

Several real estate developements had taken place and the town had named five or six streets, including "Fauver Street", running north from Route #6.

Probably the towns greatest hazard was fire, and its only deterrent was the Citizens Bucket Brigade. In the spring of 1872, an overheated stove in one of the commercial buildings of Ridgeville Corners caused a fire which damaged most of the buildings around the center of the town, including the store of Robert Patterson Fauver, and Scofields Store. Both stores were re-established and opened. Years later another fire ravaged the Towns center again and most of the business buildings and nearby residences were damaged to considerable extent. This time Robert Patterson did not reopen his store, but retired to his farm, and at the same time gave up the office of Postmaster. The same fire destroyed the small building

in which the barber shop of A. B Fauver was located.

The generation of Thomas, Walter, Alvin Bradley, and Robert Patterson Fauver saw the prime years for Ridgeville Corners as a commercial center for the area. Each made his contribution to the progress of the area, each considered this his home, and each is buried in Locust Grove Cemetery, Ridgeville Corners, Henry Co. Oh.

D", as it is said he never graduated from any institution except that of the school of hard experience.

LORENZO ADELBERT FAUVER b 1847. the fifth child of Thomas Walter

Fauver and Alzina Cornell Fauver, enlisted in the Civil War, and was captured in the Battle of Winchester Va. by Confederates and imprisoned at Danville, Va. where he died. Older members of the family tell me he died of starvation, however this can not be confirmed from the records, but there is the possibility. Numerous books have been written about investigations of Prisoner of War camps, of both Confederate and Union Armies. Those I have seen give Danville Prison a bad score, although not the worst of the lot. The Prison was made up of three old warehouse buildings in Danville, and provided little protection from the weather. They were over crowded and little attention was paid to a Small Pox epidemic among the prisoners, starvation was practiced, although not consistently against all prisoners.

After the War his remains were not recovered by the family, although a Memorial Marker stands on a Grave site in Locust Grove Cemetery, Ridgeville Corners, Henry Co.OH.

On Apr 24 1984, the compiler and his wife were in Virginia and had time to look for Lorenzo's grave. The first stop was the Public Library where I was given the only copy of the list of Prisoners of War and Confederate soldiers who were admitted to the local Hospital. The Union and Confederate soldiers were listed in separate alphabets, and by date of admission. Lorenzo was the only Fauver listed, admitted to the Hospital 2 Feb 1865, died 10 Feb 1865, cause of Death, Ascites.

I was given good directions to the Cemetery and told soldiers were buried in the rear of the Cemetery. When I got there I found this true except later this area was separated from the local Cemetery and made a Nat'l. Cemetery for Union and Confederate Soldiers. Like most Nat'l Cemeteries it was row upon row, and without a marker number, was very difficult to find. After talking with some of the caretakers for a few minutes, I said I would start

walking the rows. They told me very few found the marker they were looking for that way, but I said I had nothing else to do. I started out and found two of them had taken rows with me. We had not looked more than two minutes when one of them called me and said he had L.A.Fauver. The marker has only his name as follows, "1133 L. A. Fauver Ohio" Now I can say Lorenzo Adelbert Fauver is buried in Danville Va. National Cemetery.

DILLON ADELBERT FAUVER b 1849 the sixth child of Thomas Walter Fauver and Alzina Cornell Fauver, married Annette Higby, and after her death married Emma Burgo. The children of Dillon Adelbert and Annette Higby Fauver are; Mary b 1876, Beatrice Bertha b 1878, Lorenzo Donaldson b 1882, and Clara Fauver b 1887. Mary Fauver, the first child, of Dillon Adelbert and Annette Higby Fauver, married Harvey Reynolds in 1900, Beatrice Bertha married Emery Carpenter in 1901, Lorenzo Donaldson Fauver married Bessie Tedrow and they have a family of six children. Lorenzo Donaldson is well remembered in Northwest Ohio for his service as Minister in at least five Churches. The six children of Lorenzo Donaldson Bessie Tedrow Fauver are; Florence Loreen b 1907 who married Cecil Dwight Porter, Frances Isabelle Fauver who married Elvin Benjamin Slagle, John Dillon Fauver who married Kathryn Irene Traxler, Cleon Robert Fauver who married Loretta Miller and later married Susan Dickman, Charles Timothy Fauver who married Margaret Kline, Coral Annette Fauver, who married Lawrence Cronkleton. The seventh and eighth children of Thomas Walter and Alzina Cornell Fauver are Charles Fauver b 1851 and Nettie Fauver b 1853 and little information has been learned about them. The ninth child is James Eugene Fauver who married Myra Chapman.

page 57 Harriet Agatha Fauver b 1857, in the fifth generation in the Chart, the tenth child of Thomas Walter and Alzina Cornell Fauver, married Lucius Judson Keyes. They made their home in Holgate, Oh. until the late 1800's when they moved to Dallas, Wi. where others of their family had settled. The family is widespread throughout the States today, however it is considered centered in Mn. Lucius Judson and Harriet Agatha Fauver Keyes, show on the Chart to have had 12 children, 47 Grandchildren, 126 great Grandchildren, and 246 great, great, Grandchildren. Their children mostly turned to farming, and the grandchildren began to take up other occupations which spread the family across the Country.

The children of Lucius and Harriet Agatha Fauver Keyes are; Wesley Vincent Keyes b 1874 married Anna Deringer, Elnora Idell Keyes b 1876 married Benjamin Arthur Grover, Olive Keyes b 1878 married Otis M Blyton, Bessie May Keyes b 1880 married Paul Zimmerman, Edna Rosamund Keyes married Philip Ryker, Clifford Summer Keyes b 1885 d 1889, Leslie Lloyd Keyes b 1888 d 1888, Adeline Alzina Keyes b 1889 married Andrew Ove Amdall, Lester Keyes b 1896 d 1896, infant daughter died at birth, and Dorothy ESTher Keyes b 1900 married Marion Stull. The family is full of industrious enthusiastic and interesting people and more should be known of them.

ALICE ADRIENNE (ADDIE) FAUVER b 1859 was the eleventh child of Thomas Walter Fauver and Alzina Cornell Fauver, and married Moses Rand in 1878, at Ridgeville Corners, Henry Co. Oh. Moses Rand came to Ridgeville Corners to live with his grandmother, Hattie Wheeler, when he was only ten years old. As a young man he attended Berea Business College, and later taught school in Ridgeville Corners. His interest in Education continued and he became Principal of the Schools in the area of Ridgeville Corners. Moses Rand had a keen business sense and was a partner on "Rand and Bechkam" Department store in Ridgeville Corners, and later became the sole owner of this only department store in Ridgeville Corners.

Alice Adrienne was born in Laporte, Carlisle Twp, Lorian Co. Oh in the family's big farm home on the East Branch of Black River, and was less than two years old when the family moved to Freedom Twp. Henry Co. Oh. Alice Adrienne died in 1906 in Ridgeville Corners, and Moses Rand died in 1922 at Mt Pleasant, Mi.

Alice Adrienne (Addie) Fauver and Moses Rand had three children; Alzina Maude Rand b 1880, Charlotte Elizabeth Rand b 1882, and Walter Rand b 1885.

Alzina Maude taught school and married Oscar William Rittenhouse of Wagoner, Ok. who also was a school teacher, and had continued his education to become a Lawyer in Wagoner, Ok. He and Alzina Maude were married in Lima, Oh in 1911, and made their home in Wagoner, Ok. Oscar William Rittenhouse was engaged in the overall work of "Laying out" the State of Oklahoma, upon the Territory, of the same name, becoming the 46th State of the Union in 1907. When this happened, there were readjustments of the former Territorial County lines, thereby reducing their sizes and creating

additional counties. In that part of the new State which in 1907 there was still land called "Indian Nations" the land was divided into 38 counties which gave Ok 77 Counties as it is today. The 38 counties referred to were all in the eastern one-third of the State.

The new layout of the State was a tremendous task, when we consider it involved 77 counties, and probably for each, new county lines, Township lines, and Sections, for each.

When the lands were previously opened for settlement, there had been hoards of people rushing there, in what was labeled "Run of 1889" and "Run of 1893". Oscar William Rittenhouse had some great tales to tell of his first hand knowledge of the early days. He told of the "Tent Cities" where the hoards of rushing people set up tents, helter skelter, and where there was good traffic, there were tents for supply stores, blacksmiths, saloons, hotels, etc., each in it's own tent. There were risks for those who chose to live in a tent rather than stay in his wagon.

The job of laying out the State had to be done quickly and this brought improvisations, of which there were many and frequent. He told of measuring the distances being set. With a designated starting point, and a prescribed course, and the distance to where the next point was to be located on the course, they would measure the circumference of the wagon wheel, determine the number of revolutions of the wheel necessary to reach the distance. With a cloth tied to a spoke of the wheel they would count the revolutions on the course to the proposed point.

Alzina Maude died in 1941 at age 61, and Oscar William Rittenhouse died in Ok. in 1948.

Charlotte Elizabeth Rand b 1882 was also a school teacher and taught

school in numerous places in Lorain Co. Harvey Leonard Brandau was a Pharmacist and worked in Lima, Lorain, and Amherst, Oh. as well as in Wagoner Ok. Charlotte and Harvey Leonard Brandau were married in 1905 at Ridgeville Corners. Oh and they had three children; Henry DuRand Brandau b1907 at Burton OH, Mararet Alzina Brandau b 1909 at Lima Oh., and John Harvey Brandau b 1919 at Wagoner Ok.

Henry Durand Brandau married Edna Robson at Muskogee, Ok and later married Emma Webb of that City. The name "DuRand" has been carried forward from our Rand's ancestors and they must be of French origin.

Margaret Alzina Brandau married William Leimbach at Vermilion, Oh in 1948 and they had a daughter, Alice Adrienne b 1939, later Margaret Alzina married Maurice McIntosh who then adopted Alice Adrienne. Alice Adrienne McIntosh married Carrol Everett in 1962 at Toledo, Oh, and they have two children; Elizabeth Gail Everett b 1962 at Toledo and Doanld Maurice Everett b1964. Elizabeth Everatt married Paul Blunden, 23 July 1983. Margaret Alzina and Maurice McIntosh were early school day sweethearts, and both are great grandchildren of Thomas Walter Fauver, Alice Alzina thru his daughter Alice Adrienne Fauver, and Maurice thru his son Heiro Alkali Fauver. This is another double relationship in the Chart of the Descendants of George Fauver b 1752. Maurice McIntosh was a contract painter in Toledo, Oh, and seeing his time for retirement from house painting approaching, he decided to go to Art School and take up painting as an Art. Upon completion of his courses he begane painting oils and water color, portraits, scenes, etc. His further talent is in wood working of a very unique nature. He has made numerous portraits on inlaid wood plaques using inlay wood of various colors and textures, making exceptional likeness of his subject. From this he turned

to hand carving life size models of wild birds, as well as smaller models. These he paints with great care to attain the Audubon colors. A by product of his Birds is that they are in large glass cases which he sells to schools etc. to interest young children in these wonderful birds. Maurice's great pride is the large number of school children from all over the country who in response to the teachers suggestion they write the man who made the models, have done so, and Maurice never loses one of these letters, but he may get so interested in his work, that he will lose his pipe. While all of this is going on, Margaret Alzina is enjoying the natural setting of their modern home in a heavily wooded area on top of a hill, her heirlooms, antiques, etc and their daughter and grandchildren who live in the nearby area around Tecumseh, Mi.

John Harvey Brandau b 1919, in Wagoner Ok, came back to Lorain Co. with his parents, where he married Madge Currier at Oberlin, Oh in 1943, and they make their home in Brownhelm, Oh in the Brandau family home, which has been carefully maintained and restored to meet today's needs. It was built by Harvey Leonard Brandau who in addition to being a Pharmacist could do carpentry to the extent of building a home. Materials in its construction were of hard woods, and even floor joist are of walnut. The home is next door to the school house in Brownhelm, and her brother John Harvey says there was no excuse for being late for school as they were only 100 feet from the school house. John Harvey is interested in the Brandau, Cornell and Fauver families and is the keeper of the family Bible in which family records were recorded. I had been given a typed copy of these records and they certainly were of great help. John Harvey and Madge Currier Brandau have four children; John Frederick b 1951 who married Barbara Cadwell and they have a son Lauren Stuart Brandau, the second child Rebecca

Jean Brandau was born in 1953, and married Mark Steven Siegel, the couple met as students at Ohio State Univ., Cynthia Jean Brandau, the third child of John and Madge Currier Brandau died at age 11, the fourth Child of the couple, James Durand Brandau, lives with his parents.

The third child of Alice Adrienne and Moses Rand, was obrn 1885 and died in 1886, in Henry Co.OH.

Page 93 Following the death of Alzina Cornell Fauver, wife of Thomas Walter Fauver, and mother of the preceeding eleven children, Thomas Walter returned to Lorain County, and in 1878 married Fidelia Cornell, a younger sister of his first wife Alzina Cornell. They lived in Lorain Co. where they had a son, the twelfth child of Thomas Walter Fauver who was born in 1884 and was named Thomas Donaldson Fauver. As a young man Thomas Donaldson was in Henry Co. and in 1906 married Emma M Bates of Fulton Co.Oh. The couple lived in Pettisville, Oh where he had a farm and where four of their five children were born, the fifth was born in Lenawee Co. Mi where they retired in 1918. Their children are, Ione Irene Fauver b 1907, Walter Christopher Fauver b 1909, Norris Maxwell Fauver b 1910, Lola May Fauver b 1913, an Harold Alton Fauver b 1920.

Robert Patterson Fauver then married Emily Jane Carpenter who died shortly after their marriage. In 1856 Robert Patterson married Ellen Latham.

Robert Patterson Fauver enlisted in the 103rd Ohio Vol Inf. of the Civil War at Elyria Oh as a resident of Eaton Twp. and his name is inscribed on the Monument in Butternut Ridge Cemetery where the Township lists all it's residents who were in the Civil War, After a few months of service, due to inclement weather and other adverse conditions, he was physically unable to carry out his duties and was relieved of them for the duration of the War. His condition at the time was diagnosed as Sciatic Rheumatism. Over the years the condition worsened and he became unable to work, and at last could not walk without a crutch. Shortly thereafter he died and was said to have had a cancerous condition.

After his discharge from the Army, and his return home, his third wife Ellen Latham passed away in 1873, and he married a widow, Gertrude Brown, who remained with him for the remaining 19 years of his life.

The children of Robert Patterson Fauver and Romila Blain are, Louise Fauver b 1846 in Henry Co. , Wilson Fauver ; married Catherine Kiger and their children are; Minnie b 1875, Iva b 1879, Vernon b 1881, Carol b 1885 and Emmet b 1887.

John Newton Fauver married Margaret B Scofield in 1914 at Indianapolis, In. and they made their home in Michigan where John Newton Fauver was Mgr. of Presto-Lite Co in Detroit, Mi for 10 years. Following this he was owner-partner of Fauver-Cavanaugh Co., and sales Mgr of the White Refinery Co. These experiences made him widely known in the Automotive industry, and was complimentary to the success of his new endeavor, which he named " J. N. Fauver, Co. " when organized in 1923.

John Newton Fauver and Margaret B Scofield Fauver had three children, John W Fauver, Betty Fauver , and Jane Fauver. The information we have is that Betty and Jane are each married, the one to Clair S Abbott and the other to Frederick O Henny, and are living in Birmingham Mi.

John W Fauver succeeded his father as head of the J. N Fauver Co. Inc and is now it's Chairman of the Board of Directors. John W Fauver and Margaret M Miller were married at Bloomfield, Mi and they had three children; John W Fauver Jr b 1946, Johanna Fauver b 1947, and Jeffrey Fauver b 1958. John W Fauver Jr like his father and grandfather, is a graduate Mechanical Engineer of the University of Michigan, which educational background is applicable to the purposes of the J. N . Fauver Co. ALVIN BRADLEY FAUVER b 1828, at Greenwood N.Y. was the seventh child of George and Patience Shephard Fauver and on 13 Sep 1848 he married Mary Ann Kemp in Lorain Co. Oh. Mary Ann Kemp had come to this country from Yorkshire, Eng. Alvin Bradley Fauver enlisted in the 103rd O.V.I. in Lorain County on 30th Sep 1862, and was a part of its 15th Inf. Batt'n.

On 1 Feb 1863 while on a march from Holly Spring, Ms to Memphis Tn, due to inclement weather, he contracted a severe cold which is said to have settled in his ankle, leg and knee. As the result he was considered totally unfit for service with his Batt'n. and was transferred to Jefferson Barracks. In 1864 on orders of the War Dep't. he was transferred to the Invalid Corp., in which he remained until he was mustered out of service, 17 July 1865.

He was still suffering from a swollen foot, ankle and knee, and walked only with great difficulty. In 1886 it became necessary for him use a crutch until his death in 1891.

In the cases of Alvin Bradley and Robert Patterson Fauver, most of my information comes from Army papers, County Histories, Census records. Birth and Death records.

Alvin Bradley Fauver and Mary Ann Kemp had four children, Roxa Fauver b 1849, Ada E Fauver b 1859, Alvin B Fauver b 1863, and Byron Patterson Fauver b 1863.

Roxa Fauver married Jabez Bunting Shadford in 1869 and their son William Major Shadford b 1870 married Ruth Gillespie in 1896 and they had four children; Ralph, Dora Mae, Arleen, and Mary Shadford. Ada E Fauver the second child of Alvin Bradley and Mary Ann Kemp married Orrin E Rollin and they had five children; Charles, Orrin E Jr, George, Florence, and Elizabeth Rollin. The third child of Alvin Bradley and Mary Ann Kemp,

Alvin B Fauver married Elizabeth Holmes and their children are Gladys M Fauver and Glenna G Fauver. The fourth child of Alvin Bradley and Mary Ann Kemp Fauver, Byron Patterson Fauver married Emma Houser and their children are Edward Hiram Fauver b 1872, and Estelle Fauver b 1877, after the death Emma Houser, Bryon Patterson Fauver married Clara Graffice and their children are Henna E Fauver b 1890 and Bonnie M Fauver b 1907.

Page 99 CLINTON SHEPHARD FAUVER b 1833 was the eighth child of George Fauver and Patience Shephard Fauver and in 1868, married Ellen Rosetta Beach, daughter of Philo and Catherine Shaw Beach. The Beach family, the first to settle in Elyria Twp. Lorain Co. OH is mentioned in more detail under Julian F Fauver on page 34, as this is half of the Uncle-Nephew Fauver's marriage, to sisters of the Beach family, a double relationship. The Beach family brings to the Fauver line, a Beach family record going back to 1514 in Ramsay, England.

A niece of Clinton Shepard Fauver, who remembered him from her girlhood days, once commented that he was a handsome man, with coal black hair, and a full beard equally dark, and piercing dark eyes. So striking was his appearance, that she was affraid of him. There is a very interesting picture of the five sons of George and Patience Shephard Fauver, published in the Henry County Historical and Biographical Book, Vol 2. The five sons are Alonzo B, Thomas Walter, Robert Patterson, Alvin Bradley, and Clinton Shephard Fauver, however the Henry Co book does not identify the parties correctly. No doubt the youngest in the picture is the most forceful looking.

Philo Beach, father of Ellen Rosetta Beach had started a saw mill, across the road from his Center Ridge home in Cuyahoga Co. at Bradley Rd. (now) Westlake Oh and after Clinton Shephard married Ellen Rosetta Beach Philo turned the saw mill over to Clinton Shephard Fauver. Clinton Shephard joined with Hurst Bros in a partnership of "Fauver and Hurst Bros" and described their operations as "manufacturers of Bent Wood" and dealers in Hard Lumber, "Orders filled Promptly." The shaped or bent wood was used for bodies of sleighs, buggies, etc as well as for fancy buggy shafts.

and probably furniture such as Chair backs. They made fellows, the segment of the wooden wheel into which the spokes are inserted.

As soon as Cliton Shephard Fauver had the saw mill operating, he began to build a home for Ellen and himself, on property adjoining Philo's farm. This home has been occupied by the family for four generations, and as a Century Home today, it is still admired for it's design. The operation of the saw mill employed as many as five persons, at one time, and at least two of them had board and room at Clinton Fauver's home.

There was a large forest extending in back of Clinton Shephard Fauver's home, as well as other properties, and several stone quarries had been operated in the forest over the years. One of them was in operation as late as 1900. Clinton Shephard and others, were interested in reopening one of the quarries and with associates had big plans. Correspondence discloses their hope of finding a promoter who could convince the Railroad to put a line thru the forest to the Quarry. The developement did not take place and today the forest is owned and operated by Cuyahoga Co. Metropolitan Park System, and is known as "Bradley Wood", a beautiful and natural recreational area. The children of Clinton Shephard and Ellen Beach Fauver are; Viletta Belle b 1860, Irving Clinton b 1873, and Maleeta Rose Fauver b 1876. Violetta Belle married George Glen Terrell, whose family came to Ridgeville Twp with the first settlers of that area, where they made their home and operated a large farm. Violetta and George Terrell had three daughters, Mary Eleanor b 1893, Doris Ella b 1900 and Ellen Katherine Terrell b 1904.

Mary Ellen Terrell married Charles Falkner and they have one son, Donald Eugene who married Lois Annette Clinger and they have two children, Russell Alan Falkner and Beth Yvonne Falkner. Later Donald Eugene married Barbara Kelsey.

Doris Ellen Terrell married Sterling Culver Mills who lived on his families farm almost next door to the Terrell farm in N. Ridgeville. Until his retirement Sterling Mills continued to operate the large Mills farm which was then sold to a real estate development. Doris and Sterling have a son Jack Mills who married Janice Mae Harrison and they have three children; Anita Diane b 1946 who married Jack Allison and their son is Scott Kent b 1966, Kent Harrison Mills b 1949, and Holly Nadine Mills b 1949. Doris and Sterling Mills were surprised, shocked, excited, pleased and proud, when on 20 Feb 1926, they became the parents of triplet girls, Janet Esther, Jean Elizabeth, and Joy Violetta Mills.

Janet Esther married Wade Morris Wilford and their children are Bruce Robert Wilford b 1948, Barry Wade Wilford b 1950, and Mark Douglas Wilford b 1953. Jean Elizabeth Mills married John Earl Barson and their children are Thomas John Barson b 1949, David Allen Barson b 1955, and Katherine Ann Barson b 1956. Joy Violetta Mills married Arthur Carter Hill and their Children are Linda Diane Hill b 1948 and Larry Allen Hill b 1950.

Ellen Katherine Terrell b 1904 married Clayton Potter Thompson, Clayton's work required him to travel considerably and Katherine would take the opportunity to go with him to work on her genealogy. Her interest was first in the Terrells, of which her sister Doris had also done considerable work, and was the Ridgeville Historian. Katherine also searched the Beach Line and dug up the Chart of Ingraham-Beach going back to 1514, also she searched the Fauver Line. Katherine passed away in 1968 and Clayton now lives in Florida.

Irving Clinton Fauver the second child of Clinton Shephard and Ellen Rosetta Beach Fauver, took over the family home after the death of his parents. Irving married Etta A Atkinson and they have two children; Ella Dale Fauver and Clinton Beach Fauver.

Irving operated the farm as a market garden farm, and was probably even more interested in experimental horticulture. He most enjoyed developing new strains of berry plants and grafting trees for more sturdy stock. His young grafted trees were in demand, but his particular pride was the "Fauver's Choice" strawberry plants which he developed and sold. The waiting period for the development of these experiments was filled by trying crops which had not been grown in this area such as, sweet potatoes, peanuts, unusual flowers, which he sold to Florists or on the Cleveland Flower Market.

Ella Dale Fauver married Harold Lewis and they lived in Cleveland until Harold's retirement when they moved to Florida. Harold passed away in 1974 and Ella continues to make Florida her home, where she has friends and has contributed much to the Fauver-Beach genealogy. One very interesting and unusual finding by her, is that the Beach family for years until Philo's wife Catherine died, saved all correspondence they received. Ella came upon this correspondence and has done a great service in transcribing and typing this collection of letters. Since the letters refer to persons at this late date, not known to many of us, she has compiled a Chart showing the relationship of those mentioned in the letters. They are unusual and at times disclose "quiet talk" within the family. Today we might think they were not in touch with each other, however the correspondence went back and forth regularly, and was further supplemented by exchanges of visits, some of which were to a member of the family in Canada.

Clinton Beach Fauver married Helen Dietz, and they had two children, Kay Ann, who married Daniel Draegger, and Jeanette Ella, who married John Gilbert. Clinton Beach Fauver lived in the home built by his grandfather and after his death in 1960 his wife and children continued its occupancy. Within the past few years the Fauver line has moved from the old Home just as other changes have occurred. The former comfortable rural environment of Dover Twp., now Westlake, Oh, is no longer present, the large beautiful Chestnut tree that stood near the driveway, is no longer there, Traffic on this main route changes the rural atmosphere to more modern times. The former home of Philo and Catherine Shaw Beach still stands across the road for Clinton Shephard Fauver's home, it looks very small but was at times a stop for stagecoaches.

Page 102 Maleeta Rose Fauver b 1876 was the third child of Ellen Beach and Clinton Shephard Fauver, and married Frank Seymour Tyler in 1897 in Westlake, Oh. The parents of Frank Tyler were very early settlers of North Olmsted, Oh and acquired considerable real estate in the area. Frank Tyler probably spent most of his time managing family properties, and later was interested in Real Estate and investment promotions. He was a friendly outgoing person and had many friends. He had one of the early automobiles in N Olmsted, and took a trip around Lake Erie, which attracted much attention at the time. Frank and Maleeta Tyler lived on a farm on Lorain Road, N Olmsted, and the back of their farm on Lorain Road would about line up with the back of the farm of Clinton Shephard Fauver on Center Ridge Road, in Westlake. The Tyler home sat back from the road a distance and the front yard was a lot of fun for the children. A modern four lane highway replacing the former country road, takes up much of the large yard of years ago. The farm house still stands and when Frank and Maleeta had it there was a Black Cherry tree near the front porch.

Frank and Maleeta Tyler had three daughters, Helen Marguerite b 1898, Josephine Ida b 1913, and Ellen Elizabeth Tyler b 1916. Helen Marguerite married Otis Weitzel, and they had three sons, Merle Leonard b 1921, Willard Lee b 1924, and Dan O Weitzel b 1926.

Merle Leonard Weitzel married Mildren Josephine Leban and they have a son Merle Leonard Weitzel Jr b 1959, Willard Lee Weitzel married Florence Phoebe Lewis and their children are; Susan Lee Weitzel b 1947, Janet Florence Weitzel b 1948 and Nancy Ann Weitzel b 1954. Susan Lee Weitzel married James Murray and their children are Jennifer Murraty b 1978 and Nicholas Adam Murray b 1981. Janet Florence Weitzel married Larry Smith, and Nancy Ann Weitzel

married Todd Nicholl. Dan O Weitzel, the third child of Marguerite and Otis Weitzel married Arlene Mary Clementz, and their children are; Richard Tomothy Weitzel b 1952, Dan Lee Weitzel b 1954, Louise Kay Weitzel b 1956, and Sarah Ann Weitzel b 1958 who died in 1978. Richard Timothy Weitzel married Shirley Greslick and their children are; Ryan Weitzel b 1979 and Kevin Weitzel b 1981. Dan Lee Weitzel married Kay Lee Zurbuck and their children are Adam Daniel Weitzel and Kay W Weitzel b 1981. Louise Kay Weitzel married Don Zwolsky, and their children are Jessica Zwolsky b 1982, and Amanda Nicole Zwolsky b 1983.

Josephine Ida Tyler b 1913, the second child of Frank and Maleeta Rose Fauver Tyler, married Heinz Kickbush who was born in Berlin Germany in 1913, and was three years old when his father was killed in World War 1, while in action with the German Army. Heinz came to this country and with his initiative and ingenuity, he established a very successful Bakery Shop in N. Olmsted. His untimely death occurred in 1961. Josephine and Heinz have a son William Heinz Kickbush b 1941, who married Laura Lee Obsharsky in 1976 and they have two children, Lisa Lee Kickbush b 1979 and Julie Lynne Kickbush b 1984. Josephine makes her home in the Pittsburg area as does William Heinz and his family.

Ellen Elizabeth Tyler the third child of Frank and Maleeta Rose Fauver Tyler, married George Ivan Trefz, and they have three children; Thomas Frank b 1941, Suzanne b 1945, and Donald David Trefz b 1948. Thomas Frank Trefz married Barbara Tokarski and their children are Christopher Todd Trefz b 1968, Eric George Trefz b 1971, and Heather Ann Trefz b 1976, Suzanne Trefz married Ronald J King and their children are Christopher Ronald King b 1967, Charles David King b 1970. and Caroline Rose King b 1977. Page 107 THEDITIA ADELAIDE FAUVER b 1840 , the eleventh child of George and Patience Fauver, married Warren Earl in Eaton Twp. Lorain Co. Oh. and their daughter Mary was born 1864. Theditia died in 1871 and Warren Earl later married a second time. Warren Earl enlisted in the 103rd O. V. I and served throughout the Civil War. He was later the Clerk of the Township, which brought him high praise for his work on behalf of the people of Eaton Twp.

Page 107 SARAH ALMIRA FAUVER b 1844 in Eaton Twp is the twelfth and last child of George and Patience Shephard Fauver, and married LaFayette L. Lee. After their first child George E was born, LaFayette served in the War until its conclusion. Their second child is Addie M who married - - -Hall, and in 1912 when her mother died, Addie was in Goblesville Mi and gave her address as Fruitdale, SD. The third child of Sarah and LaFayette Lee is Charles A Lee born 1868. The three children were born in Lorain Co., and LaFayette Lee entered the Service in the Civil War from Lorain Co. Oh. It was not until after the War and their family was established, they moved to Towbridge Twp Allegon Co., Mi and later moved to Gobles (Gobelsville) Van Buren Co. Mi where Sarah died in 1912.

Several attempts to locate the descendants of the family has been without response. The 1900 Census for Towbridge Twp Mi shows Sarah A as head of the household, Charles M a son, and the names John E and Julia A Hall as Father and mother (poorly written). This may have been father and mother of daughter's husband. We'll keep looking.

SAMUEL B FAUVER b 1797 in Pittsgrove Twp, Salem Co., N.J. and moved from there with his family in 1798 to Lansing, Tompkins Co N.Y., and about five years later they moved to Newfield, Tompkins Co., N.Y. where he married Rebecca Nichols the 12th Dec 1821. The couple remained in Newfield where their first eight children were born, and the remaining four of their twelve children were born in Steuben Co. N.Y. in the area of Hornellsville, where Rebecca died in 1852.

Rebecca Nichols was from Creg, Scotland and the name Creg is used as a given name in the family in remembrance of her birth place. Their children are; Fidelia b 1822, Martha Naomi b 1823, David Claude b 1825, Matilda b 1827, Grace P b 1829, Margaret b 1831, William M b 1833, Havilla b 1835, Alzina b 1837, Nathaniel b 1839, Uriah b 1842 and Samuel Creg b 1844.

At the time of her death there were five of their children under 16 years of age and about 6 years later Samuel B married Martha Wampole and they had two children of whom very little is known except their names are Emmett b 1859 and Emery b 1861.

Uriah Fraser Fauver b 1842 did not marry and stayed with Samuel B in Steuben Co. where he worked as a farm hand and was of great help to Samuel B whose physical health made it difficult for him to continue working as a stone mason, the trade he had carried on for years, in the area of Steuben Co. Uriah enlisted in Co G, 23rd Reg, N.Y. Vol Inf. at Hornellsville and continued to help his father financially. Uriah's Army service was for about 15 months when he died as the result of a disease while in service. Samuel B later about 1880 went to LaSalle Wi where he made his home with his oldest son, Samuel Creg Fauver then in Burns, Wi. where Samuel died in 1891.

Page 112 SAMUEL CREG FAUVER b 17 Aug 1844, the twelfth child of Samuel B and Rebecca Nichols, was born at Hornellsville, N.Y. Samuel Creg left NY at about 14 to attend school in LaSalle and live with his brother David Claude. At just under age 16 he returned to Steuben Co. NY and enlisted in 23rd Reg, N.Y. Vol Infantry. Two years later he received his honorable discharge, and went back to Wisconsin where he enlisted in Co. L, 1st Reg, Wisconsin Cavalry in which he served until the end of the War. He told of participating in the Battles of Rappahannock, White Sulphur Springs, the second battle of Bull Run, Fredericksburg, Tuscaloosa, Selma, Montgomery and West Point. He walked from Tallassee Tenn to Nashville for his Discharge papers. His told of his troops being drawn-up in Battle formation, they were told the War was over and were first told of President Lincoln's assassination. He was discharged 19th July 1865 at Nashville Tenn and on 23 Aug 1865 married Rebecca Belle Armentrout of Fort Madison, Iowa, at LaCrosse Wi.

This is a sturdy family and I want to show their six children and the birth year and year of death.

Following his discharge from the Army he became a pioneer lumberman in the LaSalle area and spent winters as foreman of the loggers and his wife was cook for the crew. He told of not having a flume to send logs down to the river, so they took the bark off, greased the logs and slid them down a lumber chute.

When he left LaCrosse he purchased a farm in Burns, Wi and was there for 15 years. He would regularly go to the schools and tell younger students

of his experiences in the Civil War and his vigorous days as a logger.

He was preceded in death by his wife, by seven months, and left six children, 27 grandchildren and 23 great grandchildren, at his death, 16 June 1935, at 91 years old.

Page 125 MARY NAOMI FAUVER b 21 Feb 1830 and died 21 Apr 1903. The Williams Brother's History of Lorain Co., Oh. 1807-1879 in it's section on Eaton Twp Lorain Co. includes the following;" In 1832, Alva Brooks and Richard Crowell moved in, coming from Tompkins Co., N.Y. The former was originally from Vermont and the later from New Jersey. Brooks was a widower, and accompanied by a little daughter, two years old. Crowell's family consisted of his wife, and four children. They settled at the center (Eaton Center), the former on the farm which is he still occupies with his son James, and latter on that , a part of which is occupied by his son Aaron. He built a house immediately after arrival, which was the first habitation in this portion of the Township. Mr Brooks chopped off twenty acres of his purchase and built a cabin the first year after arrival. There was at that time no road in this part of the town except the Center Road to Columbia Township, and was merely cut out. In 1841 he assisted in cutting out the southern half of the north and south center road. In 1852 Mr Crowell erected the large house which he now occupies.

Mr Crowell died in the fall of 1875. His widow and one son reside in Grafton, two sons and a daughter reside in Eaton"

The compilers next effort will be on the last few sheet of the Chart on which little has been done to date, also updating generations on some of the early lines. More time is needed on the Heinrich Faber story as it is becoming more clear he was a Huguenot and fled from France, to the Palatinates of Germany, as many other Huguenots from France did, as well as Swiss, Polish, Austrian, etc. Their dissapointments in Germany led to the great "Exodus" of many thousands from Germany in the 1700's up to the Revolutionary War.

To the extent known to the compiler, the name is followed by, date of birth, date of death, date of marriage, name of spouse, dates of birth and death, of spouse. Beneath each date is the place of that event.

Heinrich Faber b 1721 and George Fauver b 1752 are listed on Page 1 of the Chart, in the first and second generations respectively. Since they are the first and second generations for all descendants of George b 1752, beginning on Page 2, their names appear in the left hand margin of each page, and generations 3 thru 10, are positioned in the heading as needed for those listed on the page.

## LINEAGE

Determined on the Chart

The Chart shows each descendant under his generation by number, which is in the heading of the page. The margin of the page, lists names, date of birth, and page reference, for each ancestor, back to generation 1, for each person listed in the earliest generation on that page.

The object is to determine, in reverse numerical genealogical sequence, the next preceding person in the Chart, in the next preceding preceding generation.

First determine the generation in the heading of the page, under which the person, whose lineage you wish to determine, is listed.

From this person on the Chart, the next preceding person, in the next preceding generation, will be his parent.

From the parents position on the Chart, the next preceding person, in the next preceding generation in the Chart, will be his grandparent.

Continue this procedure back to Generation 1.

If no person is listed under the next preceding generation in the heading of the page, see if the last person listed in the margin of the page is in the next preceding generation in your sequence, to complete to Generation 1. If not, turn to the preceding page of the Chart and continue from the bottom of the page as in the case of the parent and grandparent for your next generation in sequence. In a few cases it may be necessary to turn back more than one page to complete to generation 1.
